Thunderbird Help - Mozilla
Most users already have a account with a email provider, and just want to configure Thunderbird to use it. If you have an existing account fill in "Your name", "Email Address, and "Password" and then press the Continue button. The new account wizard is an attempt to make it easier to add an account for most users.

Getting started with Thunderbird - MozillaZine Knowledge Base
First, open the Account Settings: In the Thunderbird menu bar, click the Tools Edit menu and select Account Settings, or click the Application menu button and select Options Preferences and Account Settings from the sub-menu. Each email or newsgroup account that has already been configured is listed on the left side of the Account Settings dialog.
