Illustrates how rock is not just music but a way of life, an attitude and a style. By definition, rock music is for the moment: the same applies to album covers, hitting the popular nerve of the time. This book collects covers from the 20th century, from megahits to obscure collector's items.

Vinyl's back in style and in this selection of 1000 of the most iconic record sleeves from the 60s to 90s, we recall why it's the biggest and best music format ever. Iconic artwork, memorable cover-sleeves, and long-lost classics all jostle for space in this virtual shelf of music history.

Record covers are a sign of our life and times. Like the music on the discs, they address such issues as love, life, death, fashion, and rebellion. For music fans the covers are the expression of a period, of a particular time in their lives. Many are works of art and have become as famous as the music they stand for--Andy Warhol's covers, for example, including the banana he designed for The Velvet Underground.

A travers une collection unique des pochettes de microsillons qui ont marqué les années 1950 à 1995, l'histoire vertigineuse de la musique rock.

With the resurgence of vinyl going from strength to strength, album cover art is as important as it's ever been. This sumptuous book brings together 250 of the greatest album covers of all time and is arranged chronologically, beginning in 1956. Our judging panel, drawn from the great and the good of the music industry, has selected the final 275 entries, giving their reasons for selection to accompany the illustrations. From rock 'n' roll to pop, R&B to jazz, blues and even folk, some of the album covers included are obvious classics, while others will surprise readers and jog memories. The chosen entries might not necessarily be of a best-selling release, but they are important artistically, stylistically or culturally. This fascinating book forms a wonderful visual record of this popular art form, and is an essential read for music fans the world over.

Focuses on the stories behind 100 of the most memorable album covers in the history of rock and roll music, tracing the history of rock music and culture from Elvis to Blur. The collection has been personally selected by Storm Thorgerson, known for his work on Pink Floyd album covers.

A stunning collection of over 200 essential and influential album covers of the decade

Floyd to the Sex Pistols Indispensable purchase for the dedicated follower of music and art The seventies are often regarded as a mean, dark and turbulent decade, full of discontent and pessimism. The album covers of the burgeoning hard rock, progressive rock, pop and punk scenes that dominated the decade mirrored this social and cultural dystopia effectively, and accurately, capturing the tone of the music as well as the world at large. Over the decade it became clear that the 1970s were a hotbed of experimental, unique and mind-expanding design – perfectly mirroring the progressive music of the time as well as the technology of music recording and photography and being an expansive step away from the 1960s optimism. Classic Album Covers of the 1970s is an essential collection of over 200 of the greatest album covers produced during that dark decade. From the Grateful Dead, Roxy Music and David Bowie, to Patti Smith, The Ramones and the Sex Pistols, this volume will prove indispensable to all those interested in the history of album cover graphics and design, and to those whose memories of the seventies are stirred by the record covers of that period.

Music lovers have been attracted to the distinct style and sleek sound of jazz since its birth at the turn of the century. The album covers collected in this comprehensive volume under the well-known Blue Note record label embody classic design and pioneering typography. Two hundred color photographs of the album sleeves, an informative history of the Blue Note record company, and a portrait of Reid Miles, who designed nearly 500 album covers, capture the integrity of this distinctive

record label. Sophisticated jazz connoisseurs and young listeners alike, as well as those with an interest in style and graphic design, will enjoy this exciting book of jazz memorabilia.

In this era of Vinyl revival, celebrate some of the greatest covers of the last 70 years, such as the Beatles' 'Sergeant Pepper's Lonely Hearts Club Band' or Pink Floyd's 'Dark Side of the Moon', alongside entertaining and informative text. This great little book will make an ideal gift for any music aficionado or art and design enthusiast.

Reproduces one thousand of the magazine's covers and includes behind-the-scenes stories and excerpts from articles and interviews with the idols of rock and rythm-and-blues.
