Navistar is a shard and successor of  
International Harvester, a company  
founded in 1902, which produced trucks  
under the International brand, which was  
ruined and sold in parts in 1984. The  
modern name was introduced in 1986.

Benefits of using original International  
Truck service manuals. You may be  
currently working off of another brand of  
service manuals, such as the Chilton or  
Haynes libraries. The truth is, though, that  
those manuals are inferior to the original  
factory documentation. That is because  
factory documentation is more detailed –  
including “exploded” views of complex  
systems — and generally ...

However, in the 80s, due to the inability to survive in difficult market conditions, International Harvester sold almost all of its units, focusing on the production of trucks and powertrains. In 1986, the company was renamed Navistar International Corporation, which very successfully continued to produce the already legendary International trucks.
