Chevrolet vehicles trucks include the Chevrolet emblem, which is called a "bowtie" logo, has the shape of a cross with elongated arms and a shorter body. The bowtie logo was introduced by Durant in 1913 and may have been inspired by a wallpaper design in a French hotel that he saw in his travels. The logo was first used in 1914 on the H series and L Series models.

Same problem in my 88 K1500. It was the odometer gear in the instrument cluster, pull your dash and check the back of the odometer before you do ANYTHING with your tranny. its the cheapest thing to check cause its free. and its the second most likely problem. the most probable is the plastic gear in ur tranny. but thats expensive. clear the little cheap mstuff first. and it is an 88. so if its ...
