For sale is a 1999 NSX in excellent overall condition, pretty well entirely original except very minor changes detailed below. I have had the car just over two years, flew to California to buy it sight unseen, had TB/WP done locally (by complete chance my customer in LA's father-in-law is the NSX tech at the Acura dealer in Anaheim) shipped it back top save on the mileage.

Windshield wipers should work to remove this debris without streaking or smearing. If this occurs, then you know it's time to grab a replacement set. You can find new wiper blades here at Acura OEM Parts. It's often recommended to change the original wiper blades twice a year unless you need them sooner.
