When Chevrolet retired the midsize S-10 pickup truck, they replaced it with the Colorado. These lightweight, economical trucks offer a comfortable ride with the ability to carry loads in the roomy bed. While not a full-size truck, the Colorado offers the average person an economical way to enjoy the benefits of owning a truck.

wants to get the most performance out of this new engine design but is only familiar with the older Chevy small-blocks. Covered is everything you need to know about these engines, including the difficult engine removal and installation, simple engine bolt-ons, electronic controls for the Generation III engine, and detailed engine builds at four different power levels.

Chevrolet produced over 17 million aluminium Powerglides from 1962 through 1973. While never a popular performance transmission during its production run, the Powerglide has become the dominant automatic transmission in modern motorsports. Favored by circle track and drag racers alike, the Powerglide is the transmission of choice of today's racer. You will find Powerglides installed in a wide range of vehicles from street/strip to 'Top Sportsman.' This book is your reference guide to the Powerglide; from a stock rebuild to an all-out race unit, this book covers it all. Subject covered include: * *general transmission service, basic operation, in-car service and repairs *torque converter design and operation *identification *removal, disassembly and inspection *overhauling unit assemblies *final assembly of transmission *the drag racing Powerglide *the circle track racing Powerglide *specification and troubleshooting Whether you are racing or restoring, you'll find the Powerglide Transmission Handbook a master reference for rebuilding, modifying and racing your Powerglide transmission.

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information. Covers Chevy S-10 and GMC Sonoma pickups (1994-2004), Blazer and Jimmy (1995-2004), GMC Envoy (1998-2001), and Oldsmobile Bravada & Isuzu Hombre (1996-2001).

This book offers a comprehensive look at an industry that plays a growing role in motor vehicle production in the United States.
