When the mysterious Tatee walks into the renowned Manhattan Tango Studio all hell breaks loose, not a single person stays unaltered: old friendships are challenged and put to the test; seemingly confident women are alarmingly threatened by the novel newcomer's presence; cool sleek men lose their steps, stuttering incomprehensible disobedient words. The other stories explore the profoundness of human psyche where joy, suffering, humour and even madness can all be found. Encounter stories about cult escapees, an incompetent lawyer, a liberated husband, a case of mistaken identity and the serendipitous nature of synchronicity.

Following the lives of several people and animals, this story explores relationships in the midst of trials. Living in a time of tribulation, the characters maneuver through precarious situations--a government reeducation program, a train hijacking, an earthquake--circumstances that occur with little warning. Starvation, disease, and natural catastrophes plague the earth in this futuristic account. For readers who are daring, willing to step into a world of betrayals and miracles, fear and wonderment, crack open this cover.

Leadership is my passion and it has become lifestyle. I have dedicated over twenty years of my life in leadership, and have imparted in others what God has given me. I have inspired all types of people to rise up and do something in life. My intention is to make the difference in loving God, sharing that love of God, and loving my neighbor how God has commanded. I just want to be a vessel in the hands of the Lord and say to you that being happy is not difficult. Let me share something with you, I would rather be practical and communicate something from God, then to be eloquent and confuse you and lead you into error. I will make it simple, and fun, just how I am, a young pastor that rejoices in life and believes in the calling that God has given him. Dear reader, with just a few words, that is my intention. At this moment in life, exists a great necessity in this world, I am speaking of the great need for model leaders. Model leaders that our generation is willing to follow or be inspired by them, so that the potential of every individual may be projected until achieving the purpose of why God has brought us into this world for.
