A service manual is developed, published and distributed by the manufacturer so dealership mechanics or trained technicians so they can fix and maintain their product. A Dodge Challenger repair manual teaches you, in laymen terms, how to fix or mend the vehicle. A service manual does the same thing but contains a lot of technical jargon. Both manuals are great but a service manual is a must have handbook.

The repair manual is not the same as the owner's manual. With the owner's manual, it provides information on how the vehicle runs and all features which are available with your model. It may contain some basic maintenance and repair information, but not every repair is included. With the repair manual for the Dodge Challenger, it is a complete listing for all parts on the model.
