Book Review: A Ball for Daisy

Winner of the 2012 Randolph Caldecott Medal This New York Times Bestseller and New York Times Best Illustrated Book relates a story about love and loss as only Chris Rashcka can tell it. Any child who has ever had a beloved toy break will relate to Daisy's anguish when her favorite ball is destroyed by a bigger dog. In the tradition of his nearly wordless picture book Yo! Yes?, Caldecott Medalist Chris Raschka explores in pictures the joy and sadness that having a special toy can bring. Raschka's signature swirling, impressionistic illustrations and his affectionate story will particularly appeal to young dog lovers and teachers and parents who have children dealing with the loss of something special.

A wordless picture book showing the fun a dog has with her ball, and what happens when it is lost.

"A must for Daisy fans everywhere," declares School Library Journal in a starred review. With the same emotional intensity that he brought to his New York Times bestselling, New York Times Best Illustrated, and Caldecott Medal-winning picture book A Ball for Daisy, Raschka has created a story that explores fear as only he can. Any child who has ever felt lost will relate to Daisy's despair upon finding herself in an unfamiliar part of the park after chasing a squirrel. In a nearly wordless picture book, Daisy encounters the unease of being lost and the joys of being found. Raschka's signature swirling, impressionistic illustrations and his affectionate story will particularly appeal to young dog lovers, teachers, parents and, of course, the legions of Daisy fans out there.

A wordless picture book shows the fun a dog has with her ball, and what happens when it is lost.

A father teaches his daughter all about bicycle riding, from selecting the right bike to trying again after a fall.

When a child becomes aware of his pending death (children tend to know long before the rest of us even want to consider it), and is given the opportunity to draw his feelings, he will often draw a blue or purple balloon, released and unencumbered, on its way upward. Health-care professionals have discovered that this is true, regardless of a child's cultural or religious background and researchers believe that this is symbolic of the child's innate knowledge that a part of them will live forever. . . . In disarmingly simple and direct language, accompanied by evocative potato print illustrations, Raschka in conjunction with Children's Hospice International (CHI), creates a moving, sensitive book that is also a phenomenally useful tool to talk about death. The message of the book is clear: talking about dying is hard, dying is harder, but there are many people in your life who can help. Children's Hospice International (CHI), a nonprofit organization founded in 1983, is paving the way for the establishment of children's hospice and related services worldwide.

Two lonely characters, one black and one white, meet on the street and become friends.

Two-time Caldecott Medalist Chris Raschka's dazzling fiction debut. Now that the whole thing is over (and we all survived!), I can tell you what happened. Picture this for a second. Rock wall six inches on my left. Sheer cliff hundreds of feet down on my right, my best friend Norman in front of me, mumbling something, and my mom behind me saying, "Step, step, step." EEEEEYAAAAAH! Next time my mom bugs me about sitting in front of the computer too much, I'm going to say, "Thanks, I prefer it where the near-death experiences are virtual!" No, seriously, this story is about Norman and about how he grows and learns stuff. Uses his imagination. Observes things. Like his dad, who is so devoted to . . . money! Like how his dad is mixed up with weird creeps of the underworld. All over the world! Why, why are grown-ups so insane? That's exactly the question that Norman, Anna and Emma (the twins), and I, Leonard, try to answer. And with the help of Norman's new tutor, Balthazar Birdsong (also fairly nuts), we nearly do it, too. Praise for SERIOUSLY, NORMAN! A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK "Appealingly quirky and adventurous: a celebration of the power of thinking outside the box."--KIRKUS REVIEWS "This rousing tale contains strong wordplay and a lot of humor."--HORN BOOK "A visual, loopy, absurdist experience."--THE NEW YORK TIMES BOOK REVIEW

Rhyming text and touch-and-feel illustrations introduce a variety of farm animals and the sounds they make.

It's not easy being a blushful hippopotamus Baby hippo Roosevelt tries hard to ride a bike, to count, and to remember the right names of things. When he falls down, forgets a number, or calls a buffalo a "buggalo," Roosevelt gets embarrassed. His cheeks turn red, and his sister teases him, saying he's a blushful hippopotamus. Thankfully, Roosevelt has Lombard, an egret friend with a sense of perspective. Lombard reminds Roosevelt that though he may be blushful, he is also hopeful, thoughtful, and wonderful in many ways—and his sister's words don't mean a thing. This fixed-layout ebook, which preserves the design and layout of the original print book, features read-along narration.
