Comprised of nearly a dozen men, the Bow Street Runner's patrolled all of London and its surrounding roads and villages. Emboldened by the Crown, they were worse than thief takers and bounty hunters combined because they could not be bribed. A thief taker you could reason with. A bounty hunter you could slip a bit of blunt to and be on your way.

When the ladies of the ton of Regency London need discreet assistance, they turn to Rosalind Thorne—in these mysteries inspired by the novels of Jane Austen . . . Trust is a delicate thing, and no one knows that better than Rosalind Thorne. Lady Melbourne has entrusted her with recovering a packet of highly sensitive private letters stolen from her desk. The contents of these letters hold great interest for the famous poet Lord Byron, who had carried on a notorious public affair with Lady Melbourne's daughter-in-law, the inconveniently unstable Lady Caroline Lamb. Rosalind is to take up residence in Melbourne House, posing as Lady Melbourne's confidential secretary. There, she must discover the thief and regain possession of the letters before any further scandal erupts. However, Lady Melbourne omits a crucial detail. Rosalind learns from the Bow Street runner Adam Harkness that an unidentified woman was found dead in the courtyard of Melbourne House. The coroner has determined that she was poisoned. Adam urges Rosalind to use her new position in the household to help solve the murder. As she begins to untangle a web of secrets and blackmail, Rosalind finds she

must risk her own life to bring this desperate business to an end . . .

He was dangerous, infamous, scandalous... and the most beautiful man she'd ever seen. Fighting for her land, widowed Kerry McKinnon can't believe the handsome Arthur has come to seize her home and leave her to a terrible fate. Yet from the moment they meet, a scandalous passion ignites between them — impossible to resist. Then a crime will force Kerry to flee with Arthur to England — where a challenge to their love could drive them apart forever...

Caro Peacock, the acclaimed author of *A Foreign Affair*, once again ingeniously blends history, suspense, and adventure and returns an endearing and exceptional heroine to the fictional fold. In Victoria's England, there are perilous intrigues a proper young lady would do well to avoid . . . Liberty Lane, still in her early twenties, is doing her best to make a new life for herself in London after being bruised by loss and treachery. But there's no chance for her to settle down as a conventional young lady. First, a disturbingly attractive young politician, Benjamin Disraeli, wants her to use her contacts in the theatre world to find out more about a prima ballerina with a notorious love life called Columbine. He hints that some important interests may be at stake. Then Columbine is murdered in her dressing room, after an on-stage brawl with a younger and less successful dancer, who becomes prime suspect. Liberty is at the center of the investigation because one of her dearest friends, Daniel Suter, is convinced of the girl's innocence and will put his own neck in danger to save her. Liberty's determination to save them from the gallows leads her from the upper reaches of the aristocracy to some of London's lowlife haunts, posing the question: How far would you go to save a friend?

In bestseller Elin Hilderbrand's first Christmas novel, a family gathers on Nantucket for a holiday filled with surprises. Kelley Quinn is the owner of Nantucket's Winter Street Inn and the proud father of four, all of them grown and living in varying states of disarray. Patrick, the eldest, is a hedge fund manager with a guilty conscience. Kevin, a bartender, is secretly sleeping with a French housekeeper named Isabelle. Ava, a school teacher, is finally dating the perfect guy but can't get him to commit. And Bart, the youngest and only child of Kelley's second marriage to Mitzi, has recently shocked everyone by joining the Marines. As Christmas approaches, Kelley is looking forward to getting the family together for some quality time at the inn. But when he walks in on Mitzi kissing Santa Claus (or the guy who's playing Santa at the inn's annual party), utter chaos descends. With the three older children each reeling in their own dramas and Bart unreachable in Afghanistan, it might be up to Kelley's ex-wife, nightly news anchor Margaret Quinn, to save Christmas at the Winter Street Inn. Before the mulled cider is gone, the delightfully dysfunctional Quinn family will survive a love triangle, an unplanned pregnancy, a federal crime, a small house fire, many shots of whiskey, and endless rounds of Christmas caroling, in this heart-warming novel about coming home for the holidays. Follow the Quinn family through the entire Winter Street Series: Winter Street Winter Stroll Winter Storms Winter Solstice

Nick Gentry, the most seductive and dangerous man in England, has been sent to find Charlotte Howard, a runaway bride who has disappeared without a trace. But when he finds her, Nick is stunned by the intensity of his attraction to the elusive young woman whose adventurous spirit matches his own. Determined to escape a forced marriage to a man who

will destroy her, Charlotte agrees to an audacious bargain . . . she will become Nick Gentry's bride. But soon she discovers that Nick has secrets of his own, and it will take all her wits and stubborn will to tame his tormented soul. In the desperate quest to protect Charlotte from the diabolical aristocrat who threatens her, one thing becomes clear: To save the woman he loves, Nick will take any risk . . . and pay any price.

Lady Katherine juggles Christmas festivities, a perplexing cold case and a wager with the annoying Captain Wayland that will prove once and for all which of them is the better detective. It's the Christmas season in London, but the holiday festivities don't deter Lady Katherine from investigating a death that happened months earlier. Since the victim was a maid, investigative resources were sparse, and the police hastily wrote it off as a random killing. But Lady Katherine and her friends believe it was nothing short of premeditated murder, and they vow to seek justice. With her Bow Street Runner friend Lyle acting as a neutral party, Katherine teams up with her friend Prudence Burwick, her maid Harriett, and of course her pug Emma. Wayland has the aid of Pru's fiancé Lord Annandale and his valet McTavish. The two teams race against each other in a hunt for clues that takes them through the servants' quarters, stables, and seedy underbelly of London in search of a dangerous killer who thinks they got away with murder. Will the best men... or women... win?

From a magnificent ballroom ablaze with lights to an imposing country house steeped in shadows comes a breathtaking tale of an impetuous miss—and a passion that leads to peril... At five and twenty, Prudence Merryweather knew very well the risks a woman took by visiting a gentleman in the dead of night. But bearding the notorious Earl of Angelstone in his

# File Type PDF A Dangerous Affair Bow Street Brides Book 3

den was the only way to stop him from engaging her hot-headed brother in a duel. And that was why she found herself ushered into Sebastian's forbidding presence at three in the morning—and thoroughly kissed before dawn. She was a country-bred innocent—and an intriguing experience for a man who dwelt more in the shadows than in the sunshine. Yet as her boldness drew Prue into one dangerous episode after another, Sebastian found himself torn between a raging hunger to possess her and a driving need to protect her. And the reckless beauty would soon need all the protection she could get...
