For a tough-as-nails Dom, hunting a sadistic serial killer is nothing compared to losing his heart. Rome Carino is hunting a predator. One who likes to hurt submissives and the most popular BDSM club's patrons are being targeted. With each fresh kill, he gets more brazen. Rome knows he just needs one little break, but before he can make headway, the FBI shows up. Worse, the uptight, buttoned-down Special Agent Maria Callahan suggests a plan that is dangerous, but worth it because it might just catch the killer. If Rome can keep his mind on the case and off the beautiful FBI agent, he'll be just fine. Maria is still trying to step out of her legendary father's shadow and knows just how to do it. Luring the killer by posing as Rome's new sub seems like a good idea. That is, until undercover becomes real life and she finds herself tangled up with a man who amazes and scares her at the same time. Her

growing attraction to the Honolulu Police Detective is a little too much to handle. Even knowing that, she can't help falling in love with the tough Dom and losing herself in the games they play in the bedroom. Rome is overwhelmed by his need for Maria. As their relationship starts to unfold, he realizes that he will do anything to win her heart, to convince her to become his sub for a lifetime. But before he can do anything, the killer turns his attention on Rome and the one thing he holds dear: Maria. **WARNING:** The following book contains: A Dom who thinks he can do no wrong, a new sub who is about to teach him he can, palm trees, a trip or two to Rough 'n Ready, a flirty Aussie Dom with questionable motives, old friends, and a new enemy. Dive into this sizzling romantic comedy from USA Today bestselling author Melissa Schroeder. He is absolutely, completely, and undoubtedly the one man I shouldn't fantasize about. Other than being my boss, he's too rigid, a workaholic with a checkered past when it comes to women. Knowing all that, I shouldn't think about how his hands would feel on my body, or how his voice would sound when he whispered my name in the dark. But I can resist him. Mainly because he can't stand me, and he's the kind of boss who makes me think about murder on a daily basis. That's until he shows me his softer side and ignoring my need for him becomes impossible. No, softer side or not, I have to resist the lure of Grady Hawthorne because if I don't, I'm pretty sure I won't survive the fall. **Warning:** This book includes a smack-talking executive assistant, a

workaholic boss who has the most amazing...mouth, irritating siblings, a drunken night that ends in jail, and a happily ever after that will make you sigh. Author assumes no responsibility for overheated readers. This is a standalone romantic comedy with no cheating and an HEA.

Julienne Wulf has always played the good girl. You know the type. The one who never got in trouble, unlike both of her brothers. But after a very public break-up, she's ready to walk on the wild side and have her first one night stand. And she finds the perfect candidate. A man she never plans on seeing again. Until they come face to face a few days later at her new job site. But that's okay, she can handle it, and handle the sexy former Army Ranger. No, wait, she isn't going to handle him. She will deal with the situation like an adult. Alex Johnson left Hawaii with a broken heart. Fifteen years ago, the woman he loved dumped him when he signed up to serve in the military. Now, though, his family needs him. When Julienne shows up in Hawaii, they agree to work together and forget about their night together. Problem is, they can't keep their hands off each other. So they agree to a short fling, but they never expected their hearts to get involved. Soon, tongues are wagging about their affair, and when someone from Julienne's past threatens their future, Alek is determined to protect her at all costs. Warning: This story includes a good woman with naughty thoughts, a hero who wants to help her live out those fantasies, a meddling family--on both sides, and a trip back to the islands. This is another Harmless story, so you know the drill. Ice water is recommended and the author takes no responsibility for overheating readers.

I'm not the kind of girl who expects happily ever after. In fact, I prefer my partners don't get too clingy. Don't get me wrong. I like a good night of loving, but beyond that, I'm happy to see them leave in the morning, without my phone number. Then I met him. power. Like all night long and the next morning kind of staying power. So when he asks me to spend the next day with him, I do. The only reason I give him my number is because he makes me laugh. And, okay, so I might have met up with him once or twice. That doesn't mean I need him. Because I am Everly Freaking Spencer, and I don't need anyone (other than my bestie), and definitely not a man. Only... He shows up by chance at my store, which totally freaks me out. Finding out he's my favorite author doesn't help either. And the surprise that's dropped in our laps later that day? Major. Freak. Out. But, like I said, I don't need anyone. Right? If I keep repeating that, I might just believe it. Author warning: Get ready for a trip into the hippiest little town in Texas. There's gossipy little old ladies (LOLs), an app that every teenager hates, trips to Denver and Cali, a woman who is convinced true love doesn't exist, and man who aims to prove her wrong by doing things to her that should embarrass the author. And she was. (Not really). Along the way readers get to spend time with the gorgeous Hawthorne brothers and gay ducks. SERIOUSLY. GAY. DUCKS. Just get the book already because you know you want to know about them. Also, there's a happily ever after fit for a woman with commitment issues and man who just doesn't know when to give up.

Everyone in town knows Thea's past. Dead mother, missing father...the girl who couldn't remember. Now she's returned to our small Texas town to start her life over. She's handful of a woman, sexy, vibrant, and she gets my blood hot whenever we interact. I shouldn't be lusting after her at all since I'm the town's sheriff and I'm sworn to protect her. Worse—she's my best friend's little sister so that whole hands-off policy should be firmly in place.

Unfortunately, it's not. See, each time we interact, I fall further under her spell and all those promises to keep my hands off her seem so stupid. But even as we fall into bed, evil is lurking in the shadows ready to strike. As the killer ramps up the tension, I will have to do everything I can to keep Thea safe from harm, even if it risks my heart. Saving Thea was previously released as Her Mother's Killer

A colorful look at the amazing ways animals behave and interact with their environments on a rainy day We go inside when the rain comes down, but where do animals go? This new book for young readers offers a first glimpse at how different animals in different habitats behave during a thunderstorm. Veteran children's book author Melissa Stewart takes a lyrical look at the behavior of animals in forests, fields, wetlands, and deserts and briefly describes how each creature interacts with its rained-soaked environment. Constance Bergum's soft watercolor paintings colorfully depict the animals and special features of each habitat.
