A Russian Journal, published by John Steinbeck in April of 1948, is an eyewitness account of his travels through the Soviet Union during the early years of the Cold War era. Accompanied by the distinguished war photographer Robert Capa , Steinbeck set out with the intent to record the real attitudes and modes of existence of people living under Soviet rule.

A Russian Journal - Wikipedia

A RUSSIAN JOURNAL is the distillation of their journey and remains a remarkable memoir and unique historical document. Steinbeck and Capa recorded the grim realities of factory workers, government clerks, and peasants, as they emerged from the rubble of World War II.

A Russian Journal (Penguin Modern Classics): Amazon.co.uk ...

In A Russian Journal, published in 1948, Steinbeck recounts, chronologically, his trip with Capa and the va They sought to discover the people of the Soviet Union not in the way that the popular, prejudiced, propaganda-heavy media had done and were doing (this was right at the cusp of the Cold War), but through their own eyes-to portray the truth of how ordinary people live, as Steinbeck puts it.

A Russian Journal by John Steinbeck - Goodreads

Steinbeck's "A Russian Journal," first published in April 1948, like "The Log from the Sea of Cortez," originally published three years later, in 1951, was a collaborative effort. Whereas the former was a collaboration between a writer and a photographer, the latter was that of journalist and scientist.

A Russian Journal - John Steinbeck - Google Books

Steinbeck and his friend, photographer Robert Capa, went to the Soviet Union to document and photograph the lives of the ordinary Russian people. It's basically a slice of life of the time and documents very well not only how Russian, Ukrainian and Georgian people live, but also the huge amounts of ridiculous bureaucracy of the Soviet machine.

A Russian Journal, John Steinbeck - A Short Review

In 1947 when the powers that be were throwing their weight, acclaimed Magnum photographer Robert Capa and author John Steinbeck, set out to explore the Soviet Union and report truth beyond the 'Iron Curtain'. What struck me was a manifesto that Steinbeck & Capa set out early on, defining their approach to travel.

Revisiting John Steinbeck's A Russian Journal from 1948 ...

John Steinbeck. A Russian Journal. Just as the Iron Curtain fell on Eastern Europe, Steinbeck and Capa began a remarkable journey through the Soviet Union. Their travels took them to Moscow and Stalingrad. What they saw and recorded was what Steinbeck called the "great other side", the ordinary lives of Russian men and women. Combining Steinbeck's compassion, humour and eye for detail with ...

You books. John Steinbeck. A Russian Journal

A Russian Journal, (1948) attempts only "honest reporting, to set down what we saw and heard with editorial comment, without drawing conclusions about things we didn't know sufficiently," according to its author John Steinbeck.

A Russian Journal • Robert Capa • Magnum Photos

" Russian Journal." Time, 51 (26 January 1948), 58-9. In London's Savoy Hotel, John Steinbeck overheard a Chicago Tribune man snort: "Capa, you have absolutely no integrity!" That wartime remark, says Steinbeck, "intrigued me-I was fascinated that anybody could get so low that a Chicago Tribune man could say such a thing. I investigated Capa, and I found out it was perfectly true."

A Russian Journal (1948) (Chapter 19) - John Steinbeck

Hailed by the New York Times as "superb" when it first appeared in 1948, A Russian Journal is the distillation of their journey and remains a remarkable memoir and unique historical document. What they saw and movingly recorded in words and on film was what Steinbeck called "the great other side there ... the private life of the Russian people."

A Russian Journal Quotes Showing 1-30 of 34 "WHEREVER WE HAD BEEN in Russia, in Moscow, in the Ukraine, in Stalingrad, the magical name of Georgia came up constantly. People who had never been there, and who possibly never could go there, spoke of Georgia with a kind of longing and a great admiration.

A Russian Journal Quotes by John Steinbeck

In A Russian Journal, Steinbeck and Capa captured a few of those individual Russian souls who endured in a system ready to smother all creativity: "The Russians have been doing such bad things lately with their art stultification and their silly attacks on musicians and the decree about no Russian being allowed to speak to foreigners that it makes me sad," Steinbeck wrote to a friend in February 1948.

Steinbeck and Capa's account of their journey through Cold War Russia is a classic piece of reportage and travel writing. A Penguin Classic Just after the Iron Curtain fell on Eastern Europe, Pulitzer Prize-winning author John Steinbeck and acclaimed war photographer Robert Capa ventured into the Soviet Union to report for the New York Herald Tribune. This rare opportunity took the famous travelers not only to Moscow and Stalingrad - now Volgograd - but through the countryside of the Ukraine and the Caucasus. Hailed by the New York Times as "superb" when it first appeared in 1948, A Russian Journal is the distillation of their journey and remains a remarkable memoir and unique historical document. What they saw and movingly recorded in words and on film was what Steinbeck called "the great other side there ... the private life of the Russian people." Unlike other Western reporting about Russia at the time, A Russian Journal is free of ideological obsessions. Rather, Steinbeck and Capa recorded the grim realities of factory workers, government clerks, and peasants, as they emerged from the rubble of World War II-represented here in Capa's stirring photographs alongside Steinbeck's masterful prose. Through it all, we are given intimate glimpses of two artists at the height of their powers, answering their need to document human struggle. This edition features an introduction by Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This is an intimate glimpses of two artists at the height of their powers, answering their need to document human struggle

A Penguin Classic "Age can never dull this kind of writing," writes the Chicago Tribune of John Steinbeck's dispatches from World War II, filed for the New York Herald Tribune in 1943, which vividly captured the human side of war. Writing from England in the midst of the London blitz, North Africa, and Italy, Steinbeck focuses on the people as opposed to the battles, portraying everyone from the guys in the bomber crew to Bob Hope on his USO tour. He eats and drinks with soldiers behind enemy lines, talks with them, and fights beside them. First published in book form in 1958, these writings, now with a new introduction by Mark Bowden, create an unforgettable portrait of life in wartime that continues to resonate with truth and humanity.

This changes everything we thought we knew about John Steinbeck. After languishing in the CIA's archives for 60 years, a letter is uncovered in John Steinbeck's own hand that shatters everything history tells us about the author's life. Written in 1952, to CIA Director Walter Bedell Smith, Steinbeck makes an offer to become an asset for the Agency during a trip to Europe later that year. More shocking than Steinbeck's letter is Smith's reply accepting John's proposal. Discovered by author Brian Kannard, these letters create the tantalizing proposal that John Steinbeck was, in fact, a CIA spy. Utilizing information from Steinbeck's FBI file, John's own correspondence, and interviews with John's son Thomas Steinbeck, playwright Edward Albee, a former CIA intelligence officer, and others, Steinbeck: Citizen Spy uncovers the secret life of American cultural icon and Nobel Prize-winner, John Steinbeck. •Did Steinbeck actively gather information for the intelligence community during his 1947 and 1963 trips to the Soviet Union? •Why was the controversial author of The Grapes of Wrath never called before the House Select Committee on Un-American Activities, despite alleged ties to Communist organizations? •Did the CIA influence Steinbeck to produce Cold War propaganda as part of Operation MOCKINGBIRD? •Why did the CIA admit to the Church Committee in 1975 that Steinbeck was a subject of their illegal mail-opening program known as HTLINGUAL? These and a host of other resources leave little doubt that there are depths yet unplumbed in the life of one of America's most treasured authors. Just how heavily was Steinbeck involved in CIA operations? What did he know? And how much did he sacrifice for his country? Steinbeck: Citizen Spy brings us one step closer to the truth.

Although his career continued for almost three decades after the 1939 publication of The Grapes of Wrath, John Steinbeck is still most closely associated with his Depression-era works of social struggle. But from Pearl Harbor on, he often wrote passionate accounts of America's wars based on his own firsthand experience. Vietnam was no exception. Thomas E. Barden's Steinbeck in Vietnam offers for the first time a complete collection of the dispatches Steinbeck wrote as a war correspondent for Newsday. Rejected by the military because of his reputation as a subversive, and reticent to document the war officially for the Johnson administration, Steinbeck saw in Newsday a unique opportunity to put his skills to use. Between December 1966 and May 1967, the sixty-four-year-old Steinbeck toured the major combat areas of South Vietnam and traveled to the north of Thailand and into Laos, documenting his experiences in a series of columns titled Letters to Alicia, in reference to Newsday publisher Harry F. Guggenheim's deceased wife. His columns were controversial, coming at a time when opposition to the conflict was growing and even ardent supporters were beginning to question its course. As he dared to go into the field, rode in helicopter gunships, and even fired artillery pieces, many detractors called him a warmonger and worse. Readers today might be surprised that the celebrated author would risk his literary reputation to document such a divisive war, particularly at the end of his career. Drawing on four primary-source archives-the Steinbeck collection at Princeton, the Papers of Harry F. Guggenheim at the Library of Congress, the Pierpont Morgan Library's Steinbeck holdings, and the archives of Newsday-Barden's collection brings together the last published writings of this American author of enduring national and international stature. In addition to offering a definitive edition of these essays, Barden includes extensive notes as well as an introduction that provides background on the essays themselves, the military situation, the social context of the 1960s, and Steinbeck's personal and political attitudes at the time.

Just after the Iron Curtain fell on Eastern Europe, John Steinbeck and acclaimed war photographer Robert Capa ventured into the Soviet Union to report for the New York Herald Tribune. This rare opportunity took the famous travelers not only to Moscow, Kiev, and Stalingrad but through the countryside of the Ukraine and the Caucasus. First published in 1948, A Russian Journal is the distillation of their journey and remains today a remarkable memoir and unique historical document.What they saw and movingly recorded in words and on film was what Steinbeck called the great other side there ... (the) private life of the Russian people. Steinbeck and Capa recorded the grim realities of factory workers, government clerks, and peasants, as they emerged from the rubble of World War II. Like the characters of Steinbeck's fiction, these Russian portraits are endowed with a basic human nobility. Through it all, as the travelers cope with train delays and cramped lodgings, we are given intimate glimpses of the two artists at the height of their powers, answering their need to document human struggle. Wonderfully illustrated with 70 photographs, A Russian Journal is a classic piece of reportage and travel writing.

Steinbeck's writing was fuelled by a need to observe things firsthand, whether as a journalist or novelist. The huge success of The Grapes of Wrath enabled him to travel the world, ceaselessly writing about the great events of each decade. This collection brings together the greatest of those dispatches - from countries as diverse as Vietnam, Britain, Morocco and Italy. In addition, it reproduces 'America and the Americans', a gripping account of the US in the 1960s based on Steinbeck's observations on racism, moral decline & the environment. The extremely enjoyable book makes an important point about Steinbeck's oeuvre, showing just how

important journalism was to his career as a writer.

An intimate journey across and in search of America, as told by one of its most beloved writers, in a deluxe centennial edition In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York. Travels with Charley in Search of America is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—Travels with Charley is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics Deluxe Edition also features French flaps and deckle-edged paper. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.
