A wonderful warm funny and humane book about how Eloise Ristad spent her time teaching musicians to overcome their (mostly mental) blocks to become better musicians - including the story of how the soprano who couldn't get her singing voice to come through clearly found success by practising singing standing on her head - she was of course so concerned about not falling over, she stopped "trying" so hard and allowed her inner self to sing properly!

A Soprano on Her Head: Right-side-up Reflections on Life ...

If you are looking to change things up a bit, whether it is in your musical life-or your regular one. A Soprano On Her Head will help you identify what needs to change, and how to find some solutions on how to change what isn't working. Completely readable - and you don't even need to be a musician, in order to "get it".

Methods for dealing with the problems of stage fright, self-criticism, preparation for performance, releasing creativity, etc. 201 pp.

A Soprano on Her Head | Andreas NLP

I just finished reading a marvelous book, called Soprano on Her Head : Right-Side-Up Reflections on Life and Other Performances, by Eloise Ristad. My piano professor recommended I read this book during a lesson when we were discussing performance anxiety (which I experience frequently, I must admit). In this easy-to-read, humorous book, Ristad shares her experiences and ideas gained through teaching/coaching musicians and leading performance anxiety workshops.

Book Review: Soprano on Her Head - Color In My Piano

As we let the tones change and followed the changes with body movement, Liz, our soprano, ended up on her knees with her head upside down on the floor. Effortlessly, and without thinking how—for who could have told her how to sing on her head—she found all the resonance she had been struggling for, with the added bonus of incredible dynamic control.
