Following on from the very successful After Hours piano volumes, Pam Wedgwood has now penned eight atmospheric pieces for the intermediate trumpet player. They are ideal for teacher or pupil and provide a perfect follow-on for those that have used and enjoyed Pam's highly acclaimed Jazzin' About series. The book

contains piano accompaniments, but for extra sophistication a CD of backing tracks is also included. Each piece within the collection has two different backing tracks: the first (full performance) includes the backing track along with the instrumental melody; the second (backing only) presents

the backing track alone.
The full performance track is provided to help the player to learn the melody and its interaction with the accompaniment; the melody is played on a marimba to avoid dominating the acoustic 'live' instrument for those players who choose to play along with this version of the
