approachable. Proven end-of-chapter questions not only reinforce major concepts and issues from each chapter but they also challenge students to think critically and expand their reasoning skills. Only ADVANCED ACCOUNTING, 11th Edition, uses a horizontal approach to consolidations, the format most commonly used in the business world. A common coding for eliminations and adjustments enables students to recall worksheet adjustments quickly from one chapter to the next. Integrated coverage of Excel with a step-by-step tutorial and Electronic Online Working Papers prepare students to master this important business

Students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging,

limit the scope of the material to help students build a solid foundation of the most important concepts in managerial accounting. "Fundamental Managerial Accounting Concepts" 4e is organized in a distinctive way, particularly in the first six chapters. The objective is to establish a coherent, integrative framework that enables students to build knowledge in stepwise fashion. The authors' goal is for students to understand the underlying principles of accounting, not just memorize content.
