Sex magick is the fastest and most powerful way to change your life. Whether you want to work alone, with a partner or in groups this book shows you how to go on an adventure with the power of lust. With unique rituals, secret seals and a new method for shifting reality, you get to control the way your life unfolds. Sex magick is easy and probably the most fun you can have while exploring the occult. Ideal for beginners, with plenty of new material for magickal experts. Satiana is a twelve-year-old girl living in Orchid Village where Kamori, the sorceress, raised her after finding her stranded in the forest as a baby. Satiana is learning to be an enchantress but is having trouble controlling her powers. But then, she discovers her moon and star powers during her training with Lumiere. She has won the tournament, but during her victory party, she is confronted by a white-skinned demon named Sheiko, who calls her Moon Child. Satiana then sets out on a journey to find her long-lost real parents, meeting new friends along the way-such as Tokomo the fairy-confronting other five demons, learning about Moon People, and trying to stop an evil threat, the Lord of Darkness.

The Greatest story ever told - about a Giraffe called Ginny and her friends. "Ma!!!! In show bizz - you're kidding me." Ginny. "Let's all sing Smile Ginny Smile." Hopscoth. "It's all a dream." Emily. "I don't like it here - I want to go home." Jessica. "I'm loved - Meeeeeee!" theManintheMoon. "A full moon - a night of amazing consequences." Icicle. "I thought you'd never ask." Chrystal. "You only have to look at me... to see that I am the greatest star in the whole universe." Miss Starlight. This story takes you on a magical adventure with a short-necked Giraffe. From the sweeping plains of the Serengeti to Ginny's new life as a major attraction in a zoo. She's transformed by her new friend Hopscoth, becoming a top star in pantomime. Emily and Jessica, two crazy sisters, love her and persuade her to take them on a secret mission out into space, arriving on a cloud to meet theManintheMoon and a host of way-out-in-space living, exciting, life-changing characters. Is it a dream is it for real? Maybe it's time to 'nd out and enjoy! Is it a dream is it for real? Maybe it's time to find out and enjoy!

In this fantastical adventure through three magical kingdoms, Princess Carrina and her trusty companions must discover the origins of her magic, save a young prince from an evil witch, and battle a trio of dragons who return to reclaim their home. The Magical Adventures of Princess Carrina includes all three original books from the series: Box of Hair a Fairy Tale, The Venus Diary, and The Dragons of Tarnack. From author Heath Buckmaster comes a journey of self-discovery and a thrilling adventure for readers of all ages.

The book contains short stories and poetry. There are forty nine short stories and one hundred and twenty poems. The poems are free verse and some metered. There are numerous subjects: from childhood to man hood. There are: Shakespearean sonnets, Yeats octave Philosophical poetry, Science, Confessional, Epitaph, Satire, Lyric, Dramatic and Narrative, Crown of Sonnets, Imagism, and many other genres. The book discusses ethics, love war and science. In The Big Picture and The Adventures of life there is conflict then resolution. Some stories are strictly from the imagination, and others are written from experience. There are submerged characters some heroic some tragic, and some on the fringes of society.

Ready? You are actually in a virtual reality game. That ' s correct. You are a character in a massively complex multidimensional game. That is not trivializing any of it because you are literally playing the game at the cutting edge of Creation. That is the point in our linear time space realization of the game where everything new pops into beingness. Here ' s the really important part -- you are a key player in this game. How do I know? Because you are still reading this and that bio-computer brain of yours is pondering the idea. In this book we shall lay out a scenario that you are going to have a lot of fun with and it will allow you to arrive at very satisfying answers to many concerns you currently have about life. We are evolving, creative beings and it is in our nature to live based on expansion, just like the Universe as a whole. You are an active contributor to the ongoing transformation of reality. This is a book to remind you why you are here and how to make the most out of it.

This unique collection of L. Frank Baum's most beloved children's books has been designed and formatted to the highest digital standards. The Wonderful Wizard of Oz The Marvelous Land of Oz The Woggle-Bug Book Ozma of Oz Dorothy and the Wizard in Oz The Road to Oz The Emerald City of Oz The Patchwork Girl of Oz Little Wizard Stories of Oz Tik-Tok of Oz The Scarecrow of Oz Rinkitink in Oz The Lost Princess of Oz The Tin Woodman of Oz The Magic of Oz Glinda of Oz Mother Goose in Prose The Magical Monarch of Mo Dot and Tot of Merryland American Fairy Tales The Master Key The Life and Adventures of Santa Claus The Enchanted Island of Yew Queen Zixi of Ix John Dough and the Cherub The Sea Fairies Sky Island The Runaway Shadows A Kidnapped Santa Claus Nelebel's Fairyland The Tiger's Eye The Enchanted Buffalo Twinkle and Chubbins Policeman Bluejays... L. Frank Baum (1856-1919) was an American author chiefly known for his children's books, particularly The Wonderful Wizard of Oz, which chronicles the adventures of a young farm girl named Dorothy in the magical Land of Oz, after she and her pet dog Toto are swept away from their Kansas home by a cyclone. The novel is one of the best-known stories in American literature and The Library of Congress has declared it "America's greatest and best-loved homegrown fairytale."

A step-by-step guide to the occult science of sex magic • Based on the practices of P. B. Randolph, occult rival of H. P. Blavatsky • Reveals how to perform sex magic rituals for specific real-world results, such as greater strength or enhancement of the senses • Explains how to create magical talismans, such as rings with specific planetary forces, how to enliven a painting, and how to charge an effigy Concoived by Paschal Beverly Randolph, Magia Sexualis has been heralded as the most influential book about sex magic ever written, surviving to the present day solely through Maria de Naglovska ' s French translation. Published more than 50 years after Randolph ' s death, the authorship of this " translation " has been repeatedly called into question: While the greater part of the content can be traced to Randolph ' s known works, a very significant portion cannot--leading to the conclusion that this work was supplemented by Naglovska ' s own sex magic work and extensive occult teachings. Magia Sexualis explains Randolph ' s meticulous science of sex magic, practiced by the Brotherhood of Eulis and the Hermetic Brotherhood of Light. Beginning with exercises to develop essential skills, the book explains in step-by-step detail how to perform sex magic rituals for specific results, such as greater strength or enhancement of the senses, how to charge and use a " volt " --an effigy of a specific person you want to influence or protect, how to enliven a painting in order to influence those around it, and how to create magical talismans with specific planetary forces, using what Randolph calls " fluid condensers. " This work from two great occult minds shows that true power of the spirit is acquired in conjunction with the power of sex--affirming that " sex is the fundamental force in every being, the most powerful force in Nature, and the most characteristic evidence of God."

This pioneering book presents a history and ethnography of adventure comic books for young people in India with a particular focus on vernacular superheroism. It chronicles popular and youth culture in the subcontinent from the mid-twentieth century to the contemporary era dominated by creative audio-video-digital outlets. The authors highlight early precedents in adventures set by the avuncular detective Chacha Chaudhary with his ' faster than a computer brain ' , the forays of the film veteran Amitabh Bachchan ' s superhero alter ego called Supremo, the Protectors of Earth and Mankind (P.O.E.M.), along with the exploits of key comic book characters, such as Nagarj, Super Commando Dhruv, Parmanu, Doga, Shakti and Chandika. The book considers how pulp literature, western comics, television programmes, technological developments and major space ventures sparked a thirst for extraterrestrial action and how these laid the grounds for vernacular ventures in the Indian superhero comics genre. It contains descriptions, textual and contextual analyses, excerpts of interviews with comic book creators, producers, retailers and distributors, together with the views, dreams and fantasies of young readers of adventure comics. These narratives touch upon special powers, super-intelligence, phenomenal technologies, justice, vengeance, geopolitics, romance, sex and the amazing potentials of masked identities enabled by navigation of the internet. With its lucid style and rich illustrations, this book will be essential reading for scholars and researchers of popular and visual cultures, comics studies, literature, media and cultural studies, social anthropology and sociology, and South Asian studies.

Adventure Time and Philosophy is a monster-beating, wild ride of philosophical mayhem. The authors have come together to understand and explore one of the deepest and most thoughtful television shows ever to assault human brain waves. Where Adventure Time shows us what the world could be like, this book screws open our cranial lids, mucks about in the mess that is our heads, and attempts to come to some answers about the nature of reality. Adventure Time challenges everything we know about life, meaning, heroism, and even burritos. And it ' s time to give the show some serious thought. Adventure Time and Philosophy is a chance to put down your broadsword, put your exhausted monster-slaying feet up, and try to figure out why you spend your time rescuing people in distress and fighting for justice. What is justice anyway? If you don ' t happen to have your pocket edition of the Enchiridion on hand, and Billy the Hero "wicked guitar solo" hasn ' t been returning your calls, pick up Adventure Time and Philosophy and learn what it means to be a real hero! The authors of the chapters will prove that Adventure Time is much more than a cartoon, it ' s a way of life. . . . It ' s also the future!---a post-apocalyptic future 10,000 years after the Great Mushroom War, actually. Who better to have as companions than Finn and Jake when taking on Plato, Nietzsche, and Baudrillard or encountering the Slime Princess, the Ice King, and Marceline the Vampire Queen. In a review of the show in Entertainment Weekly, Darren Franich characterized Adventure Time as a " hybrid sci-fi/fantasy/horror/musical/fairy tale, with echoes of Calvin and Hobbes, Hayao Miyazaki, Final Fantasy, Richard Linklater, Where the Wild Things Are, and the music video you made with your high school garage band. " This book is filled with chapters written by a colorful cast of characters who enlighten us about the profound and life-affirming spiritual subtext and dark comedic elements of an awesomely fantastic show.
