Agent of Chaos is the second book in the Dark Fae FBI series. It could be read as a stand alone but I think you'd enjoy it more if you read the first book in the series. This one is darker than the first one but it's still an easy read. Yes, it had a few grammatical errors in it but nothing that really hung me up.

Agent of Chaos by C.N. Crawford | LibraryThing

The Dark Fae are one of the two Fae clans (the Light Fae is the other) and are made up of members who can be at best described as free-spirited, and at worst pure evil. In this they might be seen as equating with the chaotic spirits of many mythologies, as opposed to those of a more ordered tendency.

London is burning, and the fae are holding the matches. I am Cassandra Liddell: FBI Special Agent and bad-ass Pixie. After barely surviving my last assignment, I'm on the hunt for answers about my past, when bombs start exploding all over London. Fae terrorists have attacked and thrown the city into chaos. To make matters worse, my best friend Scarlett has been abducted, and her captor is playing a twisted game of "Simon Says," sending me riddles paired with impossible tasks. Roan, a seductive fae warrior, is willing to help me ... but of course he has a price. One I'm not sure I'm willing to pay. Hounded by supernatural pursuers and hunted by the CIA, I'm racing against time to save Scarlett, and to stop London from burning to the ground. Rage is simmering under the surface, and when it boils, I'll unleash a fire of my own.

There's a dark power growing within me. And I'm not sure I can control it. The fae king wants me dead. His assassins tracked me down and nearly killed me- now they're the ones lying lifeless in a pool of blood. But the price I've paid is too high. They hurt someone I love, and I burn for revenge. I'm done watching from the sidelines. Following the seductive fae Roan, I join the rebels but find myself surrounded by suspicion at every turn. But with the strange new magic in my blood, no one trusts me anymore. It's the magic of fear, of terror, of nightmares. The king's minions have given me another name: Mistress of Dread. My power is unstable and deadly, and to get my vengeance, I must learn to control it. Yet with fury boiling in my blood and desire for Roan kindling my heart, it seems like an impossible task. Terror Leech, Mistress of Dread. Will I become a King Killer as well?

The fae live among us. And one of them is a serial killer. I thought this would be a simple profiling case. Just another Jack-the-Ripper wannabe, prowling London's streets, searching for easy kills. I was wrong. This killer is fae, and he's as elusive as smoke on the wind. But I'm an FBI profiler, and it's my job to track him down. It doesn't matter that one of the main suspects--a lethally alluring fae--is trying to seduce me... or kill me, I'm not sure which. I won't be stopped, not even when panic roils through the streets of London, or when the police start to suspect me. As I close in on the killer, I follow him to a magical shadow realm that's like nothing I ever expected, where I'm hunted like prey. Fine. Bring it on. I'm an FBI Agent. And it turns out I have magical powers of my own.

Londres brûle, et ce sont les fae qui tiennent les allumettes. Moi, Cassandra Liddell, ne suis pas qu'un agent du FBI. Je suis aussi une pixie coriace. Après avoir survécu de justesse à ma dernière mission, je suis à la recherche de réponses sur mon passé quand des bombes commencent à exploser partout dans Londres. Des terroristes fae ont décidé de plonger la ville dans le chaos. Pour empirer les choses, ma meilleure amie, Scarlett, a été enlevée, et son ravisseur m'oblige à me lancer dans des quêtes impossibles pour espérer la retrouver. Heureusement, Roan, un guerrier fae, est d'accord pour m'aider... Mais son assistance a un prix, et je ne suis pas certaine de vouloir le payer... Poursuivie par des créatures surnaturelles et recherchée par la CIA, je dois me battre pour sauver Scarlett et éviter que Londres ne soit rasée. #Urban Fantasy #Fae #Action #Enquête

They say no man can rob a dragon. Good thing I'm not a man. There's an underground magical vault, protected by sorcery, security cameras, guards and whatnot. Think of the most impenetrable place in the world. Now triple it. Here comes the bad news. It belongs to a dragon, and I was hired to break into it and steal his hoard. Suicidal? Insane? Maybe, but... actually, there's no but. It's suicidal and insane. Still, fortune favors the bold. Let's hope fortune has a good disposition toward the crazy as well. I might be an alchemist extraordinaire, and the best burglar on the East Coast, but this is not a solo job. I'll need a team for this one. Accompanied by a powerful sorcerer, a fortune teller, a scam artist, and a hacker, I embark on the heist of the century. If we succeed, we'll be legends. If not - crispy dragon snacks.

The final book in the Dark Fae FBI series. The Fae war is coming, and I'm caught right in the middle. My father, the ruthless Unseelie king, is dead. It should have been our moment of triumph. Instead, we find ourselves hiding in London from our ancient enemies, the Seelie. From Roan's city mansion, we need to unite the six Unseelie courts to fight back. Unfortunately, centuries-old feuds make this almost impossible. To make things worse, there's no good reason for anyone to listen to us. After all, I'm just a pixie bastard. Did I mention that my dread powers are gone? If that weren't enough, I need to decide if I want to live forever in the world of the humans, or the world of the fae with Roan. Sure--he's gorgeous and loyal, but do I want to spend forever in this chaos? As the Seelie encroach on our territory, it's time to see if Roan and I--terror and love--can really change the world together.

Don't miss the first in #1 New York Times bestselling author Richelle Mead's Dark Swan series—packed with action, expert world-building, and a love triangle you won't be able to stop talking about... Just typical. No love life to speak of for months, then all at once, every horny creature in the Otherworld wants to get in your pants. . . Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Mercenary, yes, but a girl's got to eat. Her most recent case, however, is enough to ruin her appetite. Hired to find a teenager who has been taken to the Otherworld, Eugenie comes face to face with a startling prophecy—one that uncovers dark secrets about her past and claims that Eugenie's first-born will threaten the future of the world as she knows it. Now Eugenie is a hot target for every ambitious demon and Otherworldly ne'er-do-well, and the ones who don't want to knock her up want her dead. Eugenie handles a Glock as smoothly as she wields a wand, but she needs some formidable allies for a job like this. She finds them in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, Eugenie realizes that the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within her. . . . Praise for Richelle Mead and Succubus Blues. . . "This is one of those series I'm going to keep following." —Jim Butcher, New York Times bestselling author "The mix of supernatural mystery, romance, and reluctant succubus is great fun." —Locus "Exciting, witty, sexy, intriguing and had me captivated from the first page." —Cheyenne McCray "Storm Born is my kind of book—great characters, dark worlds, and just the right touch of humor. A great read." —Patricia Briggs

In the hallowed Storm Fae Academy, everyone has a secret. It sucks to be a supernatural fugitive, but as a fae witch, what can you do? Get on with things. Ignore the elite fae assassins who rule the city. Try not to freak out when one of them surprises you mid-shower. Usual stuff. But when the assassins capture my best friend, I'll do anything to stop her execution. Including joining their academy. Now, while I secretly plot to break Wren out, I am forced to compete in a lethal set of trials. Failure means that a monstrous headsman kills us both. Turns out I have to train with a dragon-blood fae. He's powerful, scary, and lethally attractive. And, like me, he's harboring dark secrets. Worst thing about him? He's the monstrous headsman himself. This book is from the Demons of Fire and Night world, with characters who appear in Court of Shadows.

From Donna Grant, the story of a Dragon King - and computer mastermind - whose life takes a turn when the woman he shared steamy encounters with long ago comes back into his life.

“Beautifully written and deliciously complex...I couldn't get enough.” —Nicki Pau Preto, author of the Crown of Feathers series The Cruel Prince meets City of Bones in this thrilling urban fantasy set in the magical underworld of Toronto that follows a queer cast of characters racing to stop a serial killer whose crimes could expose the hidden world of faeries to humans. magic and bound by law to do no harm to humans. This arrangement has long kept peace in the Courts—until a series of gruesome and ritualistic murders rocks the city of Toronto and threatens to expose faeries to the human world. Four queer teens, each who hold a key piece of the truth behind these murders, must form a tenuous alliance in their effort to track down the mysterious killer behind these crimes. If they fail, they risk the destruction of the faerie and human worlds alike. If that's not bad enough, there's a war brewing between the Mortal and Immortal Realms, and one of these teens is destined to tip the scales. The only question is: which way? Wish them luck. They're going to need it.
