The South African preoccupation with worker skills and skills acquisition is addressed and analyzed in this compilation of essays on the multiple and shifting meanings of the word skill within the country.

If your child is struggling with social science, then this book is for you; the short book covers the topic and also contains 10 discussion questions, 10 activities, and 20 quiz style questions. This subject comes from the book "Fourth Grade Social Science (For Home School or Extra Practice)"; it more thoroughly covers more fourth grade topics to help your child get a better understanding of fourth grade math. If you purchased that book, or plan to purchase that book, do not purchase this, as the problems are the same.
