Twelve days and counting... It's Bea's first Christmas with her baby son, and this year she's determined to do everything right. But there is still so much to do: the Christmas menu needs refining; her café, The Honey Pot, needs decorating; and she's invited the whole neighbourhood to a party on Christmas Day. She really doesn't have time to get involved in two new people's lives, let alone fall in love... When Olivia gets knocked over in the street, however, Bea can't help bringing her into The Honey Pot and getting to know her. Olivia's life is even more hectic than her own, and with her fiancé's entire family over from Ireland for Christmas, she shouldn't be lingering in the cosy warmth of Bea's café. Chloe, on the other hand, has nowhere else to go. Her affair with a married man has alienated her friends, and left her lonelier than ever. But Christmas is a magical time, and in the fragrant atmosphere of The Honey Pot, anything can happen: new friends can be made, hearts can heal, and romance can finally blossom...

Christmas arrives early when a fateful encounter leads two strangers to unexpected love in this holiday romance from New York Times bestselling author Jessica Clare. Christmas may be coming, but it's just another day at the ranch as far as Eli Pickett is concerned. Someone has to take care of the herd and that means no holiday vacation for him. But that's just the way he likes it--it's not like he has a woman to spend time with anyways. Most women don't want the ranch life, or the surly, silent cowboy that comes with it. Fine with him. He'd rather have the quiet of a roaring fire and the company of his dogs. Cassandra Horn is trying to make it to her parents' winter cabin in Wyoming before the blizzard hits. She desperately needs a vacation from the chaos of Manhattan...and her boss's boyfriend, who is making her life miserable. But Cass never makes it to the cabin. A raging snowstorm causes her car to crash, where she's found unconscious by Eli. When Cass wakes, she has no memories of who she is. Eli takes one look at Cass's big blue eyes and dark curls, and like a Christmas miracle, falls head over heels in love. But while the attraction is mutual, can she give her heart to this cowboy if she's not sure it's hers to give?
