Figure 1.1 In the United States, the right to vote is an important feature of the nation's system of government, and over the years many people have fought and sacrificed to obtain it. Yet, today, many people ignore this important means of civic engagement. (credit: modification of work by the National Archives and Records Administration)

Context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century.

---

American Government: Roots and Reform, 2011 Edition (11th ...

The government generally wants to do more for everybody (good), but that means a lot of overspending and a possible weakening of the American economy (bad). These critics suggest limits on the federal budgets every year; these limits could be overruled by, say, 60% of Congress, and would not apply during wartime.
