#1 New York Times bestselling author Vince Flynn introduces the young Mitch Rapp on his first assignment, a mission of vengeance that made him a CIA superagent.Two decades after the Cold War, Islamic terrorism is on the rise, and CIA Operations Director Thomas Stansfield forms a new group of clandestine operatives—men who do not exist—to meet this burgeoning threat abroad before it reaches America's shores. Stansfield's protégée, Irene Kennedy, finds the ideal candidate in the wake of the Pan Am Lockerbie terrorist attack. Among the thousands grieving the victims is Mitch Rapp, a gifted college athlete, who wants only one thing: retribution. Six months of intense training prepare him to devastate the enemy with brutal efficiency, leaving a trail of bodies from Istanbul and across Europe, to Beirut. But there, the American assassin will need every ounce of skill and cunning to survive the war-ravaged city and its deadly terrorist factions.

In #1 New York Times bestselling author Vince Flynn's explosive and "captivating" (Glenn Beck) thriller, witness the young Mitch Rapp as he takes on his first assignment. Mitch Rapp was a gifted college athlete without a care in the world...and then tragedy struck. Terrorists attacked innocent American citizens, and Rapp's girlfriend was among the murdered. Two hundred and seventy souls perished on that cold December night, and thousands of family and friends were left searching for comfort. Mitch Rapp was one of them, but he was not interested in comfort. Now he wants retribution. Two decades of cutthroat partisan politics have left the CIA and the country in an increasingly vulnerable position. Cold War veteran CIA Operations Director Thomas Stansfield knows he must prepare his people for the next war. America must confront Islamic terrorism with full force. Stansfield directs his protégée, Irene Kennedy, and his old Cold War colleague, Stan Hurley, to form a new group of clandestine operatives who will work outside the normal chain of command—men who do not exist. What type of man is willing to kill for his country without putting on a uniform? Six months of intense training have prepared him to take the war to the enemy's doorstep, and he does so with brutal efficiency. Rapp starts in Istanbul, where he assassinates the Turkish arms dealer who sold the explosives used in the terrorist attack. Rapp then moves on to Hamburg with his team and across Europe, leaving a trail of bodies. All roads lead to Beirut, though, and what Rapp doesn't know is that the enemy is aware of his existence and has prepared a trap. The hunter is about to become the hunted, and Rapp will need every ounce of skill and cunning if he is to survive the war-ravaged city and its various terrorist factions. This is "a bold and brawny tale that never wavers or lets up. The voice of today's postmodern thriller generation, Flynn has never been better" (The Providence Journal) in this unforgettable novel of a young man primed to become an American assassin.

Working his way through a list of hit targets who were responsible for the Pan Am Flight 103 bombing, assassin Mitch Rapp shoots a drunken Libyan diplomat in Paris only to discover that he has been set up and that his handlers want him permanently silenced.

THE NEW YORK TIMES NUMBER ONE BESTSELLER Mitch Rapp's cover has been blown. After leading a team of commandoes deep into Iraq, he has been publicly hailed by the president as the single most important person in the war against terrorism. After years of working covertly behind the scenes, Rapp is now in the glare of the public spotlight, marked by every terrorist from Jakarta to London, who now know his identity. Consequently, Rapp is resigned to leaving the front line. That is, until a platoon of Navy SEALs on a covert mission to the Philippines suffers a surprise attack. All evidence concludes that the source of the mission's leak lies in the US State Department and the Philippine embassy. But a greater threat still lurks - an unknown assassin working closely with the highest powers in the Middle East bent on igniting war. Now, with the world probing into his every move, will Rapp be able to overcome this anonymous foe and once again protect the world from the threat of international terrorism? AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. Praise for the Mitch Rapp series 'Sizzles with inside information and CIA secrets' Dan Brown 'A cracking, uncompromising yarn that literally takes no prisoners' The Times 'Vince Flynn clearly has one eye on Lee Child's action thriller throne with this twist-laden story. . . instantly gripping' Shortlist 'Action-packed, in-your-face, adrenalin-pumped super-hero macho escapist fiction that does exactly what it says on the label' Irish Independent 'Mitch Rapp is a great character who always leaves the bad guys either very sorry for themselves or very dead' Guardian

"Mills's suspenseful, strikingly original sixth Mitch Rapp novel...is as riveting as anything penned by Mitch's creator, Vince Flynn (1966-2013). Mills has really hit his stride with this franchise entry." —Publishers Weekly (starred review) "One of the best thriller writers on the planet." —The Real Book Spy In the next thriller in the #1 New York Times bestselling Mitch Rapp series, it's a race against the clock when ISIS takes out the entire US power grid and throws the country into chaos. When Mitch Rapp captures ISIS's top technology expert, he reveals that he was on his way to meet a man who claims to have the ability to bring down America's power grid. Rapp is determined to eliminate this shadowy figure, but the CIA's trap fails. The Agency is still trying to determine what went wrong when ISIS operatives help this cyber terrorist do what he said he could—plunge the country into darkness. With no concept of how this unprecedented act was accomplished, the task of getting the power back on could take months. Perhaps even years. Rapp and his team embark on a desperate search for the only people who know how to repair the damage—the ones responsible. But his operating environment is like nothing he's experienced before. Computers and communication networks are down, fuel can no longer be pumped from gas stations, water and sanitation systems are on the brink of collapse, and the supply of food is running out. Can Rapp get the lights back on before America descends irretrievably into chaos? This compulsive thriller proves once again that the Mitch Rapp series is "the best of the best when it comes to the world of special ops" (Booklist, starred review).

Learning about an imminent terrorist attack, CIA operative Mitch Rapp takes the lead in a daring commando raid into northern Pakistan, where he obtains information about a planned nuclear attack but suspects that a greater threat has yet to be uncovered. By the author of Executive Power. Rreprint.

THE NEW YORK TIMES NUMBER ONE BESTSELLER A hero can't always be good . . . Joe Rickman, head of clandestine operations in the Middle East, has been kidnapped, and with him top secret CIA information that could prove disastrous in the wrong hands. Mitch Rapp must find Rickman at all costs. But something doesn't add up and he soon suspects something even more sinister is afoot. With elements inside his own government working against him, Rapp will have to make a tough call between playing the hero and playing nice. Or will he be stopped dead before he can succeed? AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. Praise for the Mitch Rapp series 'Sizzles with inside information and CIA secrets' Dan Brown 'A cracking, uncompromising yarn that literally takes no prisoners' The Times 'Vince Flynn clearly has one eye on Lee Child's action thriller throne with this twist-laden story. . . instantly gripping' Shortlist 'Action-packed, in-your-face, adrenalin-pumped super-hero macho escapist fiction that does exactly what it says on the label' Irish Independent 'Mitch Rapp is a great character who always leaves the bad guys either very sorry for themselves or very dead' Guardian

THE NEW YORK TIMES NUMBER ONE BESTSELLER For more than ten years, Mitch Rapp has been on the frontline of the War against Terror. His bold actions have saved the lives of thousands - but in the process his list of enemies has grown inexorably. Thousands of miles away, the influential father of a dead terrorist demands retribution for the death of his son at the hands of the infidels. He wants Rapp dead - and his hate-filled plea has found sympathetic ears. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for an excuse to eliminate America's No.1 counterterrorism operative - and they've decided to seize the chance.The Hunter has become the Hunted. AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. Praise for the Mitch Rapp series 'Sizzles with inside information and CIA secrets' Dan Brown 'A cracking, uncompromising yarn that literally takes no prisoners' The Times 'Vince Flynn clearly has one eye on Lee Child's action thriller throne with this twist-laden story. . . instantly gripping' Shortlist 'Action-packed, in-your-face, adrenalin-pumped super-hero macho escapist fiction that does exactly what it says on the label' Irish Independent 'Mitch Rapp is a great character who always leaves the bad guys either very sorry for themselves or very dead' Guardian

An unprecedented and terrifying bioterrorism plot threatens to kill millions in the midst of a divisive presidential election in this “gut punch of a tale that exploits our greatest fears” (The Providence Journal) from the #1 New York Times bestselling Mitch Rapp series. A toxic presidential election is underway in an America already badly weakened by internal divisions. While politicians focus entirely on maintaining their own power, ISIS kidnaps a brilliant French microbiologist and forces him to begin manufacturing anthrax. Slickly produced videos chronicling his progress and threatening an imminent attack are posted to the internet, intensifying the hysteria gripping the United States. ISIS recruits a Mexican drug cartel to smuggle the bioweapon across the border, but it’s really just a diversion. The terrorist organization needs to keep Mitch Rapp and Irene Kennedy distracted long enough to weaponize a deadly virus that they stumbled upon in Yemen. If they succeed, they’ll trigger a pandemic that could rewrite the world order. Rapp embarks on a mission to infiltrate the Mexican cartels and track down the ISIS leader who he failed to kill during their last confrontation. But with Washington’s political elite increasingly lined up against him, he knows he’ll be on his own. Another stellar and white-knuckled page-turner, Lethal Agent proves that “Mitch Rapp is the hero we need, maybe now more than ever” (The Real Book Spy).

After his team member, Mike Nash, witnesses a terror attack in Washington, D.C., CIA superagent Mitch Rapp must pursue the al Qaeda terrorists responsible as he fights a covert war that can never be discussed, even with the government's own political leaders.
