An American Demon A Memoir

An American Demon: A Memoir is disturbing, dark, and makes you feel like you need a shower just to wash off the dirt but at the same time you can't stop reading because it's his truth and its mesmerizing, intoxicating, filthy and yet super smart. Mr. Demon takes you places you have never been, gratefully and does so with a clever hand.

an american demon a memoir

An American Demon conveys anger and truth within the perfect setting, using a youth rebellion that changed the world to open doors for this level of brash destruction. Told from the point of view of a seminal member of the American Punk movement ? doused in violence, rebellion, alcoholism, drug abuse, and

The author, Kiese Laymon, subtitled his book "An American Memoir," but it could just as easily have been sub-subtitled "A Writer's Memoir." But Laymon is not just any writer. He is a heroic wordsmith, an acrobatic stunter of syntax, a tenacious deep sea diver of emotion, a noble explorer of the dusty and horrifying paragraphs of his life.

Memoriam, history or record composed from personal observation and experience. Closely related to, and often confused with, autobiography, a memoir usually differs chiefly in there being a greater degree of emphasis placed on external events in memoirs, whereas autobiographies are concerned primarily with the writer.
