Integrative counselling and psychotherapy is a relational process. This

Online Library

An Introduction

means that the therapeutic relationship is an essential ingredient in the work that the therapist and counsellor do together. The alliance between client and therapist is the vessel for the therapeutic journey; when it is valued and nurtured, it provides the safety needed for the work to take place.

*An Introduction To
Integrative
Psychotherapy*

Integrative counselling,
as the name suggests, is

Online Library

An Introduction

To a combined approach to psychotherapy that brings together different elements of specific therapies. Integrative therapists take the view that there is no single approach that can treat each client in all situations. Rather, each person needs to be considered as a whole and counselling techniques must be
