Angel's Tip is the 2nd novel in the Ellie Hatcher series. I would recommend reading the novels in order since this novel did speak about events that happened in the 1st book. Even though Ellie Hatcher brought down the bad guy in the first novel, she still needs to prove herself to the NYPD that she isn't just a pretty face that the media enjoys showing.

Angel's Tip (Ellie Hatcher, #2) by Alafair Burke

This is the second of the Ellie Hatcher a series but it's not necessary to have read the previous book to enjoy this one. Burke's sure characterization, smart dialogue and gripping plot will inspire you to seek out others in the series.

This is the first Ellie Hatcher book I've read -- did not read the first in the series -- and I found it quite entertaining; really more like a 3.5 rating. Ellie is a fairly believable character, quite beautiful (of course), and with few flaws (again, of course).

From bestselling thriller author Alafair Burke come books 2-4 in her popular Ellie Hatcher series: 212, Angel's Tip, and Never Tell.

Following the murders of two young women, with both cases possibly linked to a popular online dating service, NYPD Detective Ellie Hatcher undertakes a special undercover assignment to lure a killer targeting single Manhattan women.

A new murder case with ties to a convicted serial killer leads Detective Ellie Hatcher into a twisting investigation with explosive and deadly results in this superb mystery from the "terrific web spinner" (Entertainment Weekly) Alafair Burke. When psychotherapist Helen Brunswick is murdered in her Park Slope office, the entire city suspects her estranged husband—until the District Attorney's office receives an anonymous letter. The letter's author knows a chilling detail that police have kept secret: the victim's bones were broken after she was killed. Her injuries were eerily similar to the signature used twenty years earlier by Anthony Amaro, a serial killer serving a life sentence for his crimes. Now, Amaro is asking to be released from prison, arguing that he was wrongly convicted, and that the true killer is still on the loose. NYPD Detectives Ellie Hatcher and JJ Rogan are tapped as the "fresh look" team to reassess the original investigation that led to Amaro's conviction. The case pits them against both their fellow officers and a hard-charging celebrity defense lawyer with a young associate named Carrie Blank, whose older sister was one of Amaro's victims. As the NYPD and Amaro's lawyers search for certainty among conflicting evidence, their investigations take them back to Carrie's hometown, where secrets

buried long ago lead to a brutal attack—one that makes it terrifyingly clear that someone has gotten too close to the truth.

Detective Ellie Hatcher will be forced to uncover the truth behind the apparent suicide of a teenaged girl with intriguing connections to both New York's wealthiest—and its most dispossessed. This addictive thriller from acclaimed suspense writer Alafair Burke draws its details from the author's own experiences as a criminal law professor and deputy district attorney, creating an exhilarating, true-to-life tale of crime and its consequences that is perfect for fans of Laura Lippman, Harlan Coben, and Burke's breakout standalone thriller *Long Gone*.

Murray, a loner who communes with the dead in the town cemetery, hears the voice of a murdered cheerleader and tries to convince the adults that he knows what happened to her. But who believes him? He's a loser. Can he even believe in himself? Also comes Pearl, the daughter of the cemetery caretaker, who befriends Murray and tries to enter his world. Together they may prove the astonishing possibility that Nikki is closer than anyone thinks. "Dead Connection is a smart, funny, very clever page turner; unique and fun to read. As much as I wanted the mystery solved, I didn't want it to end. You're going to like this book." --Chris Crutcher
