A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! Ancient Latin and Greek live on in the words we speak every day. Introduce your students to the fun and challenge of word genealogy with Words on the Vine, a 36-unit vocabulary program based on common Latin and Greek roots that will provide you with a framework for an entire school year. Each unit introduces 10 related words and shows how their definitions can be traced back to a common meaning. Students first examine each word in context to understand its correct usage. Then they have the opportunity to put the words to work for themselves in creative and challenging assignments. Each unit provides easy-to-remember visual clues, fun-to-read usage examples, and hand-on activities.

This resource book of vocabulary practice activities enables teachers to teach vocabulary communicatively in the classroom. Learner-centred in its approach, the material has the dual aim of helping students acquire vocabulary and develop skills and strategies for effective learning. Redesigned from the

The book provides a variety of stimulating activities which require learners to actively use the target vocabulary. It develops learning skills, helping learners to become more efficient in organising, storing and remembering new vocabulary. It is easy to use with clear teacher's notes on the left hand pages and facing photocopiable worksheets on the right. The resource book is accompanied by a cassette (Lower Intermediate to Intermediate only) for further practice of the key vocabulary.

"A very graceful, erudite job . . . extraordinarily revealing."—The New York Times Thirty years after its first publication, *Womansword* remains a timely, provocative work on how words reflect female stereotypes in modern Japan. Short, lively essays offer linguistic, sociological, and historical insight into issues central to the lives of women everywhere: identity, girlhood, marriage, motherhood, work, sexuality, and aging. A new introduction shows how things have—and haven't—changed. Kittredge Cherry studied in Japan and has written about the country for *Newsweek* and the *Wall Street Journal*. She has a journalism degree from University of Iowa.
