Holt physics. Chapter tests with answer key. (Book, 2001 ...  
Excellent high school physics textbook. A lot of worked example  
problems. A good supply of problems of varying difficulty at the end of  
the chapter. Odd-numbered problems have answers at the end of the  
book. When I tutored my daughter using the book two years ago, I  
don't think I found many (any?) mistakes in the author's answers.
