15 Legal Rights and Responsibilities Laws are sets of rules that allow people to live peacefully in society. Laws in the United States can be traced back to the early laws of the Code of Hammurabi, the Code of Justinian, and English common law. The Constitution provides many legal protections in Article I and the Bill of Rights.

Contains easy-to-follow three-part daily lesson plans. This assists teachers in focusing on lesson objectives, providing ongoing practice for all students and addressing individual student needs for a variety of populations. A unit organizer provides learning goals, planning and assessment support, content highlights, a materials chart, suggestions for problem-solving, cross-curricular links, and options for individualizing. Each guide is grade level-specific.

Published by OpenStax College, U.S. History covers the

Online Library Answers To Reteaching Activity 15 Section 2

breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
