Put the work of a Pulitzer prize-winning author in your students' hands every day The American Vision boasts an exceptional author team with specialized expertise in colonial, Civil War, 20th-century, and Civil Rights history. The full panorama of American history comes alive through their vivid and accurate retelling, and the co-authorship of National Geographic ensures that the program's new maps, charts, and graphs are correct to the last detail.

USAs historie indtil 1996

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Americans focuses on nine themes: Diversity and the national identity; America in world affairs; Economic opportunity; Science and technology; Women and political power; Immigration and migration; States' rights; Voting rights; Civil rights. - p. [xxviii].

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These

articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first *Crisis*, which reads “ These are the times that try men ’ s souls. ” This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Now in paperback, Paine's essential American writings in authoritative Library of America texts: After a life of obscurity and failure in England, Thomas Paine came to America in 1774 at age 37. Within fourteen months he published *Common Sense*, the most influential pamphlet of the American Revolution, and began a career that would see him hailed and reviled in the American nation he helped create. In *Common Sense*, Paine sets forth an inspiring vision of an independent America as an asylum for freedom and an example of popular self-government in a world oppressed by despotism and hereditary privilege. The *American Crisis*, begun during “ the times that try men ’ s souls ” in 1776, is a masterpiece of popular pamphleteering in which Paine vividly reports current developments, taunts and ridicules British adversaries, and enjoins his readers to remember the immense stakes of their struggle. They are joined in this invaluable reader by a selection of Paine ’ s other American pamphlets and his letters to George Washington, Thomas Jefferson, and others.

AP U.S. History Crash Course Achieve a Higher AP Score in Less Time REA ’ s Crash Course is perfect for the time-crunched student, last-minute studier, or anyone who wants a refresher on the subject! Are you crunched for time? Have you started studying for your AP U.S. History exam yet? How will you memorize all that history before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don ’ t panic. REA ’ s AP U.S. History Crash Course is just what you need.
