Armance is a romance novel set during the Bourbon Restoration by French writer Stendhal, published anonymously in 1827. It was Stendhal's first novel, though he had published essays and critical works on literature, art, and travel since 1815.

Armance (novel) - Wikipedia  
Armance was Stendhal's first novel; although not nearly so well-written or interesting as *Le Rouge et le Noir*, it already foreshadows Stendhal's style in the way it combines a romantic plot with a basically realist (though not quite realistic) social analysis.
