There is widespread agreement that art is 'very important' – but it can be remarkably hard to say quite why. Yet if art is to enjoy its privileges, it has to be able to demonstrate its relevance in understandable ways to the widest possible audience. Alain de Botton and John Armstrong have a firm belief that art can help us with our most intimate and ordinary dilemmas, asking: What can I do about the difficulties in my relationships?

Art as Therapy - Alain de Botton

(Read it and see for yourself). Art as Therapy is a book to cherish, you can't really read it in one sitting or call it quits on the last page. It is a handbook, a guide to teaching you over a long period of time how to look at and utilize the works of art in our world. Alain helps to demystify the world, at least he has for me! Simple

Art as Therapy | Art | Phaidon Store

In Art as Therapy (public library), philosopher Alain de Botton — who has previously examined such diverse and provocative subjects as why work doesn't work, what education and the arts can learn from religion, and how to think more about sex — teams up with art historian John Armstrong to examine art's most intimate purpose: its ability to mediate our psychological shortcomings and assuage our anxieties about imperfection. Their basic proposition is that, far more than mere ...
