Inspired by the award-winning film of the same name.If you were told that a murderer was to be released into your neighborhood, how would you feel? But what if it weren't only one, but thousands?Could there be a common roadmap to reconciliation? Could there be a shared future after unthinkable evil? If forgiveness is possible after the slaughter of nearly a million in a hundred days in Rwanda, then today, more than ever, we owe it to humanity to explore how one country is addressing perceptual, social-psychological, and spiritual dimensions to achieve a more lasting peace. If forgiveness is possible after genocide, then perhaps there is hope for the comparably smaller rifts that plague our relationships, our communities, and our nation. Based on personal interviews and thorough research, As We Forgive returns to the boundary lines of genocide's wounds and traces the route of reconciliation in the lives of Rwandans'victims, widows, orphans, and perpetrators;whose past and future intersect. We find in these stories how suffering, memory, and identity set up roadblocks to forgiveness, while mediation, truth-telling, restitution, and interdependence create bridges to healing. As We Forgive explores the pain, the mystery, and the hope through seven compelling stories of those who have made this journey toward reconciliation. The result is a narrative that breathes with humanity and is as haunting as it is hopeful.

Inspired by the award-winning film of the same name, this book explores the pain, the mystery, and the hope through seven compelling stories from Rwanda as victims, orphans, widows, and perpetrators journey toward reconciliation.

Amber Sparks holds her crown in the canon of the weird with this fantastical collection of [eye-popping range](#)! (John Domini, Washington Post). Boldly blending fables and myths with apocalyptic technologies, Amber Sparks has built a cutllike following with And I Do Not Forgive You. Fueled by feminism in all its colors, her surreal worlds [like Kelly Link's and Karen Russell's](#) are all-too-real. In [Mildly Happy, With Moments of Joy](#), a friend is ghosted by a text message; in [Everyone's a Winner at Meadow Park](#), a teen coming-of-age in a trailer park befriends an actual ghost. Rife with [sharp wit, and an abiding tenderness](#)! (Ilana Masad, NPR), these stories shine an interrogating light on the adage that [\[h\]istory likes to lie about women](#), as the subjects of [You Won't Believe What Really Happened to the Sabine Women](#) will attest. Written in prose that both shimmers and stings, the result is [\[nothing short of a raging success, a volume that points to a potentially incandescent literary future!](#) (Kurt Baumeister, The Brooklyn Rail).

Originally published in hardcover in 2020 by Pamela Dorman Books, Life/Viking.

Having seen anger, resentment, and despair destroy far too many lives, the writer of this extraordinary book on forgiving dispenses with glib pronouncements and lets the often untidy experiences of ordinary people speak for themselves. In Why Forgive? the reader will meet men and women who have earned the right to talk about the importance of overcoming hurt and about the peace of mind they have found in doing so. Hurt is an understatement, actually, for many of these stories deal with the harrowing effects of violent crime, betrayal, abuse, bigotry, and war. But Why Forgive? examines lives more mundane battle scars as well: the persistent hobgoblins of backbiting, gossip, and strained family ties, marriages gone cold and tensions in the workplace. As in life, not every story has a happy ending a fact Arnold thankfully refuses to skirt. The book also addresses the difficulty of forgiving oneself, the temptation to blame God, and the turmoil of those who simply cannot seem to forgive, even though they try. Why forgive? Read these stories, and then decide.

Archbishop Desmond Tutu, Nobel Peace Prize winner, Chair of The Elders, and Chair of South Africa's Truth and Reconciliation Commission, along with his daughter, the Reverend Mpho Tutu, offer a manual on the art of forgiveness [\[helping us to realize that we are all capable of healing and transformation. Tutu's role as the Chair of the Truth and Reconciliation Commission taught him much about forgiveness. If you asked anyone what they thought was going to happen to South Africa after apartheid, almost universally it was predicted that the country would be devastated by a comprehensive bloodbath. Yet, instead of revenge and retribution, this new nation chose to tread the difficult path of confession, forgiveness, and reconciliation. Each of us has a deep need to forgive and to be forgiven. After much reflection on the process of forgiveness, Tutu has seen that there are four important steps to healing: Admitting the wrong and acknowledging the harm; Telling one's story and witnessing the anguish; Asking for forgiveness and granting forgiveness; and renewing or releasing the relationship. Forgiveness is hard work. Sometimes it even feels like an impossible task. But it is only through walking this fourfold path that Tutu says we can free ourselves of the endless and unyielding cycle of pain and retribution. The Book of Forgiving is both a touchstone and a tool, offering Tutu's wise advice and showing the way to experience forgiveness. Ultimately, forgiving is the only means we have to heal ourselves and our aching world.](#)

Silver Medal Winner in the Essays category of the 2015 Foreword Reviews' INDIEFAB Book of the Year Awards What is forgiveness? Are some acts unforgivable? Can forgiveness take the place of revenge? Powerful real-life stories from survivors and perpetrators of crime and violence reveal the true impact of forgiveness on ordinary people worldwide. Exploring forgiveness as an alternative to resentment or retaliation, the storytellers give an honest, moving account of their experiences and what part forgiveness has played in their lives. Despite extreme circumstances, their stories open the door to a society without revenge. All royalties from the sale of this book go to The Forgiveness Project charity.

"When one of Hermie's friends disappoints him, he learns a lesson about the importance of offering forgiveness and how incredible God's grace really is"--Provided by publisher.

"Joan Gattuso, bestselling author of A Course in Love, brings her wisdom to a topic that affects everyone-- how to forgive when forgiveness seems impossible. Gattuso's practical and inspiring teaching serves as a compass to the spiritual principles that can transform bitterness into beauty and anger into peace. Gattuso shows us that the road to forgiveness is the path to freedom. It is this freedom, she writes, that allows us to move forward, so that we can live a happy and joy-filled life"--

An encouraging guide for the angry or heartbroken soul, in the form of uplifting stories and quotations. Sometimes forgiveness can feel unfathomable, unreachable, or even just plain wrong. Inspiring Forgiveness throws wide open the doors of possibility within the human heart with the wise words of philosophers, writers, poets, and great thinkers from across centuries and continents. Each offering can serve as guideposts along the path to bringing greater forgiveness into our lives. This book also tells the stories of real-world people [\[from the Dalai Lama to Congressman John Lewis and more\]whose lives were changed forever by forgiveness, including for themselves. Just bearing witness to these experiences can itself be transformative. One wise teacher quoted in this book, Pema Chödrön, offers a simple practice for cultivating forgiveness: "First we acknowledge what we feel \[shame, revenge, embarrassment, remorse. Then we forgive ourselves for being human. Each moment is an opportunity to make a fresh start." This book is a collection of those moments. Inspiring Forgiveness consists of twelve true stories of people who have endured great pain at the hands of others and have found a way to open themselves to forgiveness in its many forms. Each story is followed by extraordinary poems that speak to forgiveness as well as a collection of over 100 inspiring quotations. "What a wonderful illumination of the power of forgiveness Barbara Bonner has given us. The book's unique gathering of personal stories, poems, and quotations shows that forgiveness is not a momentary feeling but an attitude toward life, a practice of deep self-healing, and a path to freedom. Inspiring Forgiveness is aptly titled, for it does more than tell us about forgiveness, it inspires us to live it." John Brehm, editor of The Poetry of Impermanence, Mindfulness, and Joy](#)
