Goldfayn also includes information for teaching your customer service people how to inform your current clients about what else they can buy from you. This proven approach revolves around letting your customers tell your story. There is nothing you can say about your products and services that is more effective than what your paying customers say. How does it work? Each day, take one quick, proactive communication action that tells someone about how they'll be improved after buying from you. Choose from the 22 actions Goldfayn details in The Revenue Growth Habit. Each technique is fast, simple, and free. This is the full Mueller Report, as released on April 18, 2019, by the U.S. Department of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia and the Trump campaign. Mueller submitted his report to Attorney General William Barr on March 22, 2019, and the Department of Justice released the redacted report one month later.

By the coauthor of the #1 Wall Street Journal and New York Times bestseller The One Minute Entrepreneur Offers a simple, straightforward, and proven approach to negotiating anything Written in the popular and accessible "business fable" format Negotiation impacts every aspect of our lives, from the deals we strike on the job to our relationships with family members and neighbors, to the transactions we make as customers. Yet most people do anything they can to avoid negotiation -- it makes them uncomfortable, nervous, even frightened. This plague of "negotiaphobia" is that The One Minute Negotiator will remedy. Don Hutson and George Lucas use an engaging business parable to tell the story of a high-level sales professional who learns to master a simple yet profound approach to negotiations. Jay Baxter sells more than anyone else in his company, but his profit margins are slim. Instead of negotiating the best deal for the company, he's giving too much away to get the sale. On a company-sponsored cruise he meets the One Minute Negotiator, who teaches him a three-step negotiating process that can be applied to any situation: closing a deal to get your product in a big-box retail store, getting the best loaner car while your car is in the shop, seeking a fair solution after a hotel messes up your reservation, settling on the price for your new home -- in short, any transaction. The key is flexibility. Most books on negotiation preach one of two gospels: thou shalt collaborate or thou shalt compete. Either everybody works together toward a common goal or the process is basically adversarial. The problem is no two negotiations are alike -- one strategy cannot fit all. The One Minute Negotiator teaches you four potential strategies and shows how to choose the one best suited to the situation, your own inclinations, and the strategy being used by the other side. Besides the obvious benefits, conquering negotiaphobia will reduce your stress level. You'll never walk away thinking about what you should have asked for or might have gotten. Instead, with tools Hutson and Lucas provide you can confidently and consistently guide any negotiation to the best possible conclusion.

This is an intense tale of love and betrayal set in wartime Vienna. Vienna, 1938: a place of high culture, gilded opera houses and intellectual salons. Beautiful actress Julia Homburg and her politician husband Franz Wedeker embody all the enlightened brilliance of their native city. But Wedeker is Jewish and just across the border the tanks of the Nazi Reich are primed for the Anschluss. When the SS invade, lists are drawn up and disappearances become routine, Franz must be concealed. With daring ingenuity, Julia conjures a hiding place. In the shadow of oppression the old certainties evaporate; the streets are full of spies and collaborators, allegiances shift and ancient hatreds resurface. A clear conscience is a luxury few can afford and Julia finds she must strike a series of hateful bargains with the new order if she and her husband are to survive.

Two devout teenagers faced love amid tragedy circa 1969. An Army enlistment during the Vietnam Conflict promised career opportunities but tore their dreams apart. As a Roman Catholic, Nancy knew better than to succumb to temptation. She was following the example of her two older sisters: one a nun, and the other a wife who'd had three children in quick succession. But when a sweet-talking devilishly-handsome boy began charming her, it wasn't just her baton that was twirling. It was her heart. Peter knew he shouldn't resent his older brother, the golden boy. Terry excelled in sports, academics, and winning friends while Peter was stuck at home milking cows. Their parents expected Peter to hold down the farm when Terry's world was upended by an accident. Once Peter fell for a beautiful red-haired angel, he knew his prayers had been answered. Later, while Peter performed his patriotic duty in Vietnam, he discovered his brother was ambushing him on the home front, about to steal his cherished wife and daughter. Did his devotion to the Army's cause create an unbridgeable rift in his marriage? Return to the mythical Capital High School in Lincoln, Nebraska, for the third in the Twirler Quartet series that delivers more heartbreak and joy at a time when naïve teenage boys were being drafted, surprised college students were being attacked at protest marches, and the president promised peace and love to the youth of America.
