For thirty-nine years Harry Joy has been the quintessential good guy. But one morning Harry has a heart attack on his suburban front lawn, and, for the space of nine minutes, he becomes a dead guy. And although he is resuscitated, he will never be the same. For, as Peter Carey makes abundantly clear in this darkly funny novel, death is sometimes a necessary prelude to real life. Part *The Wizard of Oz*, part *Dante's Inferno*, and part *Australian Book of the Dead*, *Bliss* is a triumph of uninhibited storytelling from a writer of extravagant gifts.

The epic love story of Liv and Dean West, and their beloved

friends and family in Mirror Lake, comes to a breathtaking conclusion as the professor and his beauty fight the battle of their lives.

Without darkness, there is no light. Dean has always been Liv's hero, her knight in tailored suits. Not once has this iron-willed professor retreated from battle. Not once has he failed to keep his wife safe. Not once has he broken his promise to slay monsters for her. But now Dean is forced to confront a monster he can't destroy. A monster he can't even face. And for the first time ever, there is nothing he can do to protect the woman who owns his heart.

Centering Prayer and Inner Awakening is a complete guidebook for all who wish to know the practice of Centering Prayer.

For millennia, humanity has wondered, "Who are we and where did we come from?" Religions tell us we are flawed, limited, even evil. They promise reward or retribution for believing the right things about the right God and keeping our faces down and our knees bowed. Billions unquestioningly obey. Science skeptically scoffs at these old myths. It has reduced the entire universe - and humanity along with it - to a mathematical and mechanistic accident. Billions

consider themselves too smart, too educated to believe in crazy old myths or to see any reality beyond the natural world. Are either of these explanations satisfying or complete? Are we just atoms bumping into other atoms or souls to be saved by the decree of ancient Gods? White House correspondent Maria Love had never considered such questions. Suddenly and unexpectedly, she finds herself thrown into a world where everything we've been told turns out to be wrong. Now, with the help of a member of the Anunnaki elite, she tries to reveal history's greatest deception as the fate of Earth and Nibiru hangs in the balance.
