First in the Spider Trilogy of vampire thrillers, by bestselling authors J.R. Rain, Scott Nicholson, and H.T. Night! When teenager Parker Cole approaches the dark and mysterious new student at night school, she figures he's just another goth wannabe. Little does she know how wrong she is... Spider is an old vampire in a young body. He's done some bad things in his time, very, very bad things. Now, he figures it's time to do some good in this world. After all, he has to live with himself for all eternity. And who better to do good than a vampire on a mission? He soon learns that Parker has big problems, two of them, in fact. Her father runs a bizarre cult at the foot of Mount Shasta, and her best friend had been drained of all blood. Even crazier, the two problems are somehow connected. Spider reminds himself that he's turned a new leaf on life, that he's committed to helping the weak humans...and not feast on them. And so, perhaps against his better judgment, Spider delves into the mystery and heads to Mount Shasta to join the cult. Murder, mayhem, and more bodies await. Just the way Spider likes it. "BAD BLOOD is fast, hilarious and sexy. Rain, Nicholson and Night just might have created the coolest vampire since Kiefer Sutherland. The Mount Shasta setting is dreamy. The cult is deliciously creepy. And Spider is as sexy as they come. I was pressing the ereader's 'forward' button so fast that I broke it. Let's hope we hear more from Spider." -H.P. MALLORY, #1 bestselling author of Fire Burn and Cauldron Bubble For fans of Shannon Mayer, Dannika Dark, and Michael Anderle! Over 200 worldwide 5-star reviews! Plunge into grand mystery and adventure in a world of vampires, werewolves and other immortals by bestselling author Jack Conner. When a powerful figure in the Immortal Community is killed, two vampires, Ruegger and Danielle, are forced to go on the run to find out who ordered the murder and why. The two are notorious throughout the Community for only feeding on humans that deserve it – murderers and rapists – as well as other immortals. If an immortal steps out of line and preys on undeserving humans, Ruegger and Danielle will (if they can) take them down – and feed from them. Thus the two are sarcastically known throughout the Community as the Marshals. Now, to stop the world from becoming embroiled in a vicious war, Ruegger and Danielle must follow the threads of a strange conspiracy that spans continents and many races, some exotic and particularly deadly. The Dark Lord, the vampire king of the Community, may himself be involved. To find out the truth, Ruegger and Danielle will have to dodge werewolf assassins, zombies, and two especially nasty Jamaican voodoo gods. One thing is certain: if they survive and unravel the strange heart of the mystery, the world will never be the same again.

Mistaken for her Goth twin sister, Rayne, sixteen-year-old Sunny is bitten by a vampire and races against time to avoid becoming a vampire permanently. Rayne learns she is destined to be the new Vampire Slayer just as a maniacal member of the undead is trying to spread a fatal blood disease.

Getting bitten by a vampire pissed him off. Seeing his best friend brutally slaughtered started a war. Trick was a typical college student-sort of-until vampires attacked. Then he found out his blood was poison to the bloodsuckers. And Trick will do anything to eradicate them. \* His blood kills!
