# Download Ebook Banded 1 Logan Byrne

Banded is a book described very easily: It is an absolute copy of the Divergent series, but without the depth of characters one finds in that series. There are a few differences, but mostly very minor. The children do not choose their faction, it is chosen for them by a computer. The concept of the band itself, as a means of reward, punishment, and control, is a different twist. There are six ...
