A fresh, new edition of the classroom-proven listening skills favourite.

This third level of a three-level series that gives intermediate students who have studied English previously extensive practice in understanding everyday conversational language. There are 24 unit lessons accompanied by tactics for testing materials to assist students with the listening sections of the TOEIC test, the TOEFL test, IELTS, and other exams.

IELTS TECH - GENERAL MODULE is the fourth book in the IELTS-Tech Series, and is widely recognised as a reliable means of assessing the language ability of candidates, who need to study or work where English is the language of Communication. This unique book is designed to give the future IELTS candidates an idea of whether their English is at the required level or not to compete the IELTS examinations. The book consists of all the four modules along with Presentations and Listening Material in a Compact Disk.

A fresh, new edition of the classroom-proven listening skills favourite.

Combines systematic training in exam techniques and thorough development of advanced level language skills.

Aims to help develop the specialist English language knowledge and communication skills for job-seeking, including job interviews, and successful techniques for dealing with difficult questions. Practice exercises, audioscripts, answer key, and common interview questions are provided. For self-study and developing listening, speaking, reading, writing and vocabulary skills.

"'Cambridge English skills' is a four-level skills series specially designed for adults and young adults wanting to communicate confidently in English wherever they are - at home, at work, travelling, studying or socialising with English-speaking friends. Organised around the themes of 'Work and study' and 'Social and travel', the series builds confidence through activities based on everyday situations.'"--Publisher.
