This easy-to-understand book includes everything you need to learn Biblical Aramaic, including a lexicon of Biblical Aramaic, the complete annotated text of all 269 Bible verses written in Aramaic, and a downloadable grammar workbook with chapter exercises and answer key.

This pack contains everything you need to learn the most neglected biblical language, no matter if you are already enrolled in a class or learning on your own. It includes 22 video lessons on three DVDs and one of today's bestselling Aramaic textbooks (Basics of Biblical Aramaic). There are 269 verses in the Old Testament written in Aramaic, not in Hebrew. Most of the verses are found in Daniel and Ezra. Basics of Biblical Aramaic follows the same easy-to-understand style found the widely-used Basics of Biblical Hebrew. This book is designed for those who already have a working knowledge of Biblical Hebrew. Basics of Biblical Aramaic features a complete lexicon of biblical Aramaic, a complete annotated text of all 269 Bible verses written in Aramaic, and chapter exercises. In addition to the textbook, the pack includes: Basics of Biblical Aramaic Video Lectures, featuring 22 video lessons accompanying the passages in the textbook. The Learn Biblical Aramaic Pack includes everything you need to start learning Aramaic today.

The study of biblical Aramaic, an ancient Semitic language from which the Hebrew alphabet was derived, is necessary for understanding texts written during certain periods of early Jewish and Christian history and is especially important for the study of the books of Daniel and Ezra. This new textbook is a thorough guide to learning to read and translate biblical Aramaic and includes an introduction to the language, examples of texts for practice translations, and helpful comparison charts.

Basics of Biblical Aramaic Video Lectures provides 22 easy-to-follow lessons (on 3 DVDs) introducing the most neglected biblical language. Integrated for use with one of today's bestselling Aramaic textbooks, it is an ideal resource for formal Aramaic language students wanting additional help in their learning; for instructors wanting to devote classroom time to drills and exercises, giving them a lecture tool their students can watch on their own time; and for armchair students of biblical Aramaic with an interest in learning on their own. Designed for students who already have a working knowledge of Hebrew, each lecture is approximately half an hour and is taught by experienced teacher Miles V. Van Pelt using a logical and simple method of learning biblical Aramaic. Focused on the structural pattern of biblical Aramaic over rote memorization, Van Pelt's lectures will give students in formal language classes and self-learners alike the basic understanding they need to begin studying the 269 Aramaic verses in the Old Testament and Aramaic in other ancient texts.

Features of Basics of Biblical Hebrew Grammar, Second Edition text: * Combines the best of inductive and deductive approaches * Uses actual examples from the Hebrew Old Testament rather than 'made-up' illustrations * Emphasizes the structural pattern of the Hebrew language rather than rote memorization, resulting in a simple, enjoyable, and effective learning process * Colored text highlights particles added to nouns and verbs, allowing easy recognition of new forms * Chapters Two (Hebrew Vowels), Nine (Pronominal Suffixes), Seventeen (Waw Consecutive), Eighteen (Imperative, Cohortative, and Jussive), and Twenty-Three (Issues of Sentence Syntax) are revised and expanded * Section of appendices and study aids is clearly marked for fast reference * Larger font and text size make reading easier * Updated author website with additional Hebrew language resources and product information (www.basicsofbiblicalhebrew.com) Features of updated CD-ROM: * Full answer key to the accompanying workbook (compatible with Windows and Macintosh) * Scripture indexes to both the grammar and the workbook * FlashWorks™, a fun and effective vocabulary-drilling program from Teknia Language Tools * Links to additional resources accessible with internet connection

"An Introduction to Aramaic" introduces biblical Aramaic to beginning students already familiar with Hebrew. All Aramaic passages in the Old Testament plus other Aramaic texts are included. Includes paradigms, a complete glossary, resources for further study, exercises, and an answer key. Paperback edition available from the Society of Biblical Literature (www.sbl-site.org).

Basics of Classical Syriac by Steven C. Hallam is a beginning Syriac grammar, workbook, and lexicon and can be used by independent learners or a classroom setting. Workbook exercises for each chapter enable students to know whether they are grasping the fundamentals of the language.
