The Beatles Anthology by Beatles and a great selection of related books, art and collectibles available now at AbeBooks.co.uk.

Created in cooperation with the surviving Beatles and Yoko Ono, this anthology of personal memorabilia, documents, photographs, and other items from personal archives chronicles the band's Liverpool origins, rise to fame, and breakup.

The Beatles are still the most popular band of all time, they topped all the Millennium polls This is the first book to be produced with the full co-operation of the surviving Beatles and Yoko Ono The ultimate Beatles gift book, most of the images and almost all the text has never been seen before Backed by £100,000 marketing and publicity campaign

"The Battles Literary Anthology is a unique volume containing over 40 years of interviews, articles, reviews and essays, on subjects ranging from the Fab Four's origins in Liverpool, to their influence on the counterculture of the late 1960s, and beyond to the post-Beatle paths followed by John Lennon, Paul McCartney, George Harrison, and Ringo Starr."--BOOK JACKET.

Given the phenomenal fame and commercial success that the Beatles knew for the entire course of their familiar career, their music per se has received surprisingly little detailed attention. Not all of their cultural influence can be traced to long hair and flashy clothing; the Beatles had numerous fresh ideas about melody, harmony, counterpoint, rhythm, form, colors, and textures. Or consider how much new ground was broken by their lyrics alone--both the themes and imagery of the Beatles' poetry are key parts of what made (and still makes) this group so important, so popular, and so imitated. This book is a comprehensive chronological study of every aspect of the Fab Four's musical life--including full examinations of composition, performance practice, recording, and historical context--during their transcendent late period (1966-1970). Rich, authoritative interpretations are interwoven through a documentary study of many thousands of audio, print, and other sources.

As recommended by USA Today and excerpted on RollingStone.com! Still the Greatest is a love song to the songwriting and recording achievements of Paul, John, George, and Ringo after each struck out on his own. In this creative history, Jackson selects the best songs by each in his solo career and organizes them into fantasy albums they might have formed had they stuck it out. This romp through the post–Beatle history of each artist delves into the circumstances behind the composition, recording, and reception of each work, offering a refreshing take on how spectacular much of the Beatles’ second act truly is. Jackson assesses the over seventy albums and nine hundred songs they collectively released, selecting the crème de la crème of their output.

Hunter Davies, the only ever authorised biographer of the group, has produced the essential Beatles guide. Divided into four sections – People, Songs, Places and Broadcast and Cinema – it covers all elements of the band’s history and vividly brings to live every influence that shaped them. Illustrated with material from Hunter's remarkable private collection of artefacts and memorabilia, this is the definitive Beatles treasure.

So much has been written about the most famous and successful band of all time and yet one story has not been told - the band's own story. Spanning their early lives, their rise to pre-eminence, and a year-by-year account of the golden period of fame right through to the break-up in 1970, THE BEATLES ANTHOLOGY is the Beatles' own book. To the never-before-disclosed recollections of Paul McCartney, George Harrison and Ringo Starr are added the memories of associates such as road manager Neil Aspinall, producer George Martin and spokesman Derek Taylor. Interwoven with these are the recollections of John Lennon, and almost all of these have never been published before. Add to this the astonishing collection of over 1,000 photographs drawn from the Apple Corps archive and The Beatles' own personal collections and you have a truly unique book. Created with their full co-operation, THE BEATLES ANTHOLOGY is nothing less than The Beatles autobiography.

The Beatles est un groupe musical originaire de Liverpool, composé de John Lennon, Paul McCartney, George Harrison et Ringo Starr. Il demeure, en dépit de sa séparation en 1970, l'un des groupes de rock les plus populaires au monde. En dix ans d'existence, et seulement huit ans de carrière discographique (de 1962 à 1970), les Beatles ont enregistré douze albums originaux et ont composé plus de 200 chansons. Une productivité particulièrement remarquable dans la période 1963-1966 où, entre les tournées incessantes et la participation à deux longs métrages, ils ont publié sept albums, treize singles et douze EPs. Considérées comme la « bande-son » des années 1960, les chansons des Beatles ont marqué leur décennie ainsi que les générations suivantes, et leurs mélodies ont été adaptées à de nombreux genres musicaux, notamment le jazz, la salsa, le reggae ou la musique classique et baroque.
