With only half a canteen of water and one baby bottle, a family of eight fought for their lives in the killing fields and land mines of Cambodia. Heroes emerge in the most unlikely places, under the most dangerous conditions. They are often the most ordinary of people facing extraordinary times. Surrounded by unimaginable adverse forces, one woman would ultimately lead her entire family to survive. Beautiful Hero is an autobiographical narrative told from a daughter's perspective. The story centers around Meiyeng, the eponymous Beautiful Hero, and her innate ability to sustain everyone in her family. Meiyeng's acumen in solving problems under extreme circumstances is thought-provoking and awe-inspiring. She shepherded her entire family through starvation, diseases, slavery and massacres in war-torn Cambodia to forge a new life in America. Over two million people--a third of the country's population--fell victim to a devastating genocide in Cambodia. The rise of the Khmer Rouge posed not merely a single challenge to survival, but rather a series of nightmarish obstacles that required constant circumvention, outmaneuvering, and exceptional fortitude from those few who would survive the regime intact. Beautiful Hero suspensefully unravels the layers of atrocity and evil unleashed upon the people, providing a clear view of this horrific and violent time of the Cambodian revolution. The story highlights the most basic impulses of man: good vs. evil, individual vs. group, democracy vs. tyranny, and life vs. death. It is the ultimate story of love, sacrifice, survival, and redemption--and lives pushed to the limits. It reaffirms the good in humanity by showing how one family lived and survived with grace and dignity.

Wounded by a painful divorce, life is slowly shifting into mere existence for Bill, a retired teacher in Anchorage, Alaska. Lonely and depressed, he moves into a retirement community to await the inevitable. But it seems that fate has more in store for Bill. He is convinced that he will never find love again; he is happy to be proven wrong, however, when he meets Gail. In the summer of 2012, to celebrate their one-year anniversary, they fly to up to the beautiful, calm, blue waters of Kachemak Bay for a romantic weekend getaway in his small plane. But several hundred miles into the trip, above the unforgiving Canadian wilderness, the plane loses power with no landing strip in sight. Now, Bill and Gail wait for another kind of inevitable. Battered but alive, they must now fight to survive. In the fierce challenges of wilderness life, they grow even closer. Hour by hour, what was once a comfortable relationship flourishes into something much more meaningful. In the face of terror, their bond grows even tighter. And in the wilderness, they will encounter more dangers than Gail is prepared to expect. In Bill, Gail finds her knight, and in Gail, Bill finds his lady. As beautiful as a fresh spring flower, their love finds a

way to blossom in the harshest of environments. In their faith, they never lose hope that God will deliver them safely from their challenges.

On April 17, 1975, the Khmer Rouge entered Phnom Penh to open a new and appalling chapter in the story of the twentieth century. On that day, Pin Yathay was a qualified engineer in the Ministry of Public Works. Successful and highly educated, he had been critical of the corrupt Lon Nol regime and hoped that the Khmer Rouge would be the patriotic saviors of Cambodia. In *Stay Alive, My Son*, Pin Yathay provides an unforgettable testament of the horror that ensued and a gripping account of personal courage, sacrifice and survival. Documenting the 27 months from the arrival of the Khmer Rouge in Phnom Penh to his escape into Thailand, Pin Yathay is a powerful and haunting memoir of Cambodia's killing fields. With seventeen members of his family, Pin Yathay were evacuated by the Khmer Rouge from Phnom Penh, taking with them whatever they might need for the three days before they would be allowed to return to their home. Instead, they were moved on from camp to camp, their possessions confiscated or abandoned. As days became weeks and weeks became months, they became the "New People," displaced urban dwellers compelled to live and work as peasants, their days were filled with forced manual labor and their survival dependent on ever more meager communal rations. The body count mounted, first as malnutrition bred rampant disease and then as the Khmer Rouge singled out the dissidents for sudden death in the darkness. Eventually, Pin Yathay's family was reduced to just himself, his wife, and their one remaining son, Nawath. Wracked with pain and disease, robbed of all they had owned, living on the very edge of dying, they faced a future of escalating horror. With Nawath too ill to travel, Pin Yathay and his wife, Any, had to make the heart-breaking decision whether to leave him to the care of a Cambodian hospital in order to make a desperate break for freedom. "Stay alive, my son," he tells Nawath before embarking on a nightmarish escape to the Thai border. First published in 1987, the Cornell edition of *Stay Alive, My Son* includes an updated preface and epilogue by Pin Yathay and a new foreword by David Chandler, a world-renowned historian of Cambodia, who attests to the continuing value and urgency of Pin Yathay's message.

After enduring years of hunger, deprivation, and devastating loss at the hands of the Khmer Rouge, ten-year-old Loung Ung became the "lucky child," the sibling chosen to accompany her eldest brother to America while her one surviving sister and two brothers remained behind. In this poignant and elegiac memoir, Loung recalls her assimilation into an unfamiliar new culture while struggling to overcome dogged memories of violence and the deep scars of war. In alternating chapters, she gives voice to Chou, the beloved older sister whose life in war-torn Cambodia so easily could have been hers. Highlighting the harsh realities of chance and circumstance in times of war as well as in times of peace, *Lucky Child* is ultimately a testament to the resilience of the human spirit and to the salvaging strength of family bonds.

She's just like the rest of us. But she's something different, too. Hoda Kotb grew up in two cultures--one where summers meant playing at the foot of the ancient pyramids and another where she had to meet her junior prom date at the local 7-Eleven to spare them both the wrath of her conservative Egyptian parents. She's traveled the globe for network television, smuggling videotapes in her shoes and stepping along roads riddled with land mines. She's weathered the devastation of Hurricane Katrina, and a personal Category 5 as well: divorce and breast cancer in the same year. And if that's not scary enough, she then began cohosting the fourth hour of *Today* with Kathie Lee Gifford. Her story reads just like Hoda--light, funny, positive, and inspiring.--From publisher description.

Best known for his academy award-winning role as Dith Pran in "*The Killing Fields*", for Haing Ngor his greatest performance was not in Hollywood but in

the rice paddies and labour camps of war-torn Cambodia. Here, in his memoir of life under the Khmer Rouge, is a searing account of a country's descent into hell. His was a world of war slaves and execution squads, of senseless brutality and mind-numbing torture; where families ceased to be and only a very special love could soar above the squalor, starvation and disease. An eyewitness account of the real killing fields by an extraordinary survivor, this book is a reminder of the horrors of war - and a testament to the enduring human spirit.

Damn her. His body was still on fire. Damn her, why had she responded that way? So honestly. With no coyness. No affectation. Her mouth had been so receptive. Her kisses so generous. Her breasts so soft... Only two survive the small plane crash in the Canadian wilderness miles from civilization: Rusty Carlson, a real estate agent from Beverly Hills, who has never faced anything more perilous than L.A.'s rush hour traffic; and Cooper Landry, an embittered Vietnam veteran, who has endured the horrors of warfare and a POW camp. Rusty wouldn't have believed herself capable of dragging her unconscious fellow passenger from the wreckage, but that was only the first challenge confronting her. The man himself is as hostile and unforgiving as the mountainous terrain in which they're stranded. If they had a choice, they would go their separate ways. But they don't. If they want to live, they must stay together. Teamed against the harsh elements, injury, and a pair of conniving cutthroats, Rusty and Cooper must rely on each other in order to survive. In a one room cabin they find shelter. . .but, as winter closes in, they have no protection against the sexual attraction that becomes the real test of their fortitude. Within those four rough walls, Rusty discovers that Cooper's brusqueness arises from immeasurable heartache, and, to Cooper's dismay, his credo of No romance, no love, no thanks becomes his desperate chant to ward against Rusty's allure.

Introduction: After the Khmer Rouge, led by Pol Pot, ousted the democratic Lon Nol's government and took complete control of Cambodia on April 17th, 1975, the jubilation lasted for less than 12 hours. That afternoon, 3:00 P.M., Khmer Rouge started to empty the city of Phnom Penh and the city went into chaos. The Khmer Rouge announced, "Everyone must leave the city immediately for three days so that we can clean up the city. Then you would be allowed to return to your home. You must pack just enough stuff to use for three days. Leave the city immediately. Then you would be allowed to return to your home." Once all the people who had no political ties with the communist Khmer Rouge arrived at the country sides; the farm, they turned everyone into farmers and peasants. Then the killing began. Salt Seeker is an extraordinary story about a courageous young Cambodian boy who survived the genocide during the Khmer Rouge regime from April 17, 1975 to January 7, 1979. As you read the book, Daravann Yi will take you on his unimaginable journey through hell and back. Hope and strength of will kept him alive! Comments: "The gripping tale of triumph of a young boy forced to deal with the realities of war, displacement, rampant murder, and survival." Robert Woish, Certified Professional Resume Writer "An incredible and thought-provoking story of hardship and survival against overwhelming odds." Mark Hooper, Angel Editing "Millions of Cambodians perished during the "Killing Fields" of 1975-1979. How Daravann Yi, as a young boy, survived this genocide is a tragic yet ultimately winning story which demonstrates that courage can be shown by anyone of any age. An important book for public libraries." Karl Helicher, Director, Upper Merion Township Librar

They came on a mission of mercy, but now they're in a fight for their lives. High schooler Will Peterson and three friends journeyed to Central America to help rebuild a school. In a poor, secluded mountain village, they won the hearts of the local people with their energy and kindness. But in one sudden moment, everything went horribly wrong. A revolution swept the country. Now, guns and terror are everywhere—and Americans are being targeted as the first to die. Will and his friends have got to get out fast. But streets full of killers . . . hills patrolled by armies . . . and a jungle rife with danger stand between them and the border. Their one hope of escape lies with a veteran warrior who has lost his faith and may betray them at any moment. Their one dream is to
