What is a good education? What is it for? To answer these questions, Stratford Caldecott shines a fresh light on the three arts of language, in a marvelous recasting of the Trivium whereby Grammar, Dialectic, and Rhetoric are explored as Remembering, Thinking, and Communicating. These are the foundational steps every student must take towards conversion of heart and mind, so that a Catholic Faith can be lived out in unabashed pursuit of the True, the Good, and the Beautiful. Beauty in the Word is a unique contribution to bringing these bountiful aspects of the Real back to the center of learning, where they rightfully belong. If your concern is for the true meaning of education for your children, here is the place to begin. "Those responsible for new initiatives in Catholic schooling have a chance to recreate the inner spirit of education and not just its outer frame. They will not easily find a programme more inspirational than the one presented here." - Aidan Nichols "Stratford Caldecott offers a rare combination of intelligence and profound vision, yet combines this with accessibility and luminous transparency." - Catherine Pickstock

*First published in hardback as Beauty, 2009"--T.p. verso.

The creation sings to us with the visual beauty of God's handiwork. But what of man-made art? Much of it is devoid of sacred beauty and is often rejected by Christians. Christian artists struggle to find acceptance within the church. If all of life is to be viewed as "under the lordship of Christ," can we rediscover what Gods plan is for the arts? Philip Graham Ryken brings into sharp focus a biblical view of the arts and the artists who make art for God's sake. This is a concise yet comprehensive treatment of the major issue of the arts for all who seek answers. - Publisher.

The New York Times film critic shows why we need criticism now more than ever Few could explain, let alone seek out, a career in criticism. Yet what A.O. Scott shows in Better Living Through Criticism is that we are, in fact, all critics: because critical thinking informs almost every aspect of artistic creation, of civil action, of interpersonal life. With penetrating insight and warm humor, Scott shows that while individual critics--himself included--can make mistakes and find flaws where they shouldn't, criticism as a discipline is one of the noblest, most creative, and urgent activities of modern existence. Using his own film criticism as a starting point--everything from his infamous dismissal of the international blockbuster The Avengers to his intense affection for Pixar's animated Ratatouille--Scott expands outward, easily guiding readers through the complexities of Rilke and Shelley, the origins of Chuck Berry and the Rolling Stones, the power of Marina Abramovich and "Ode on a Grecian Urn." Drawing on the long tradition of criticism from Aristotle to Susan Sontag, Scott shows that real criticism was and always will be the breath of fresh air that allows true creativity to thrive. "The time for criticism is always now," Scott explains, "because the imperative to think clearly, to insist on the necessary balance of reason and passion, never goes away."

In this loose retelling of Howard's End, Zadie Smith considers the big questions: Why do we fall in love with the people we do? Why do we visit our mistakes on our children? What makes life truly beautiful? Set in New England mainly and London partly, On Beauty concerns a pair of feuding families--the Belseys and the Kippeses--and a clutch of doomed affairs. It puts low morals among high ideals and asks some searching questions about what life does to love. For the Belseys and the Kippeses, the confusions--both personal and political--of our uncertain age are about to be brought close to home: right to the heart of family.

A Good Morning America Book Club Pick A captivating, bighearted, richly tapestried story of people brought together by love, war, art, flood, and the ghost of E. M. Forster, by the celebrated author of Tin Man. Tuscany, 1944: As Allied troops advance and bombs fall around deserted villages, a young English soldier, Ulysses Temper, finds himself in the wine cellar of a deserted villa. There, he has a chance encounter with Evelyn Skinner, a middle-aged art historian who has come to Italy to salvage paintings from the ruins and recall long-forgotten memories of her own youth. In each other, Ulysses and Evelyn find a kindred spirit amidst the rubble of war-torn Italy, and set off on a course of events that will shape Ulysses's life for the next four decades. As Ulysses returns home to London, reimmersing himself in his crew at The Stoat and Parot--a motley mix of pub crawlers and eccentrics--he carries his time in Italy with him. And when an unexpected inheritance brings him back to where it all began, Ulysses knows better than to tempt fate, and returns to the Tuscan hills. With beautiful prose, extraordinary tenderness, and bursts of humor and light, Still Life is a sweeping portrait of unforgettable individuals who come together to make a family, and a deeply drawn celebration of beauty and love in all its forms.

In Bending to Beauty, Dian Zirilli-Mares uses powerful words and metaphors to craft poems that express universal truths. This is why, as the poet examines the loves and losses of life - she writes of our lives as well. We see clearly that we share dreams, joys, fears. Readers of a certain age will relish poems of childhood memories, as Ms. Zirilli-Mares captures a precious time and place, now long-gone. They will identify with her wry poems of shock and disbelief in growing older. But no matter the focus, the poet "pares close to the bone," exploring, yet never shrinking from, the truth. The reward, as revealed in the title poem, is a "bending to beauty" that makes one stronger. Poem after poem, Bending to Beauty probes the complicated, painful, and wondrous that is life - and holds it up for all to recognize.

Now a New York Times bestselling author, Nadia Bolz-Weber takes no prisoners as she reclaims the term "pastrix"(pronounced "pas-triks," a term used by some Christians who refuse to recognize female pastors) in her messy, beautiful, prayer-and-profanity laden narrative about an unconventional life of faith. ? Heavily tattooed and loud-mouthed, Nadia, a former stand-up comic, sure as hell didn't consider herself to be religious leader material--until the day she ended up leading a friend's funeral in a smoky downtown comedy club. Surrounded by fellow alcoholics, depressives, and cynics, she realized: These were her people. Maybe she was meant to be their pastor. Using life stories--from living in a hopeful-but-haggard commune of slackers and her unusual but undeniable spiritual calling to her experiences pastoring people from all walks of life--and poignant honesty, Nadia portrays a woman who is both deeply faithful and deeply flawed, giving hope to the rest of us along the way. Wildly entertaining and deeply resonant, this is the book for people who hunger for a bit of hope that doesn't come from vapid consumerism; for women who talk too loud and guys who love chick flicks; and for the gay person who loves Jesus and won't be shunned by the church. In short, this book is for every misfit suspicious of institutionalized religion but who is still seeking transcendence and mystery.
