At any given moment, the human body contains millions of parasites. This is the story of just one. A really, really nasty one. Benjamin Wilson was having a lousy month even before the stomach pains began. He was about to turn forty. One of his students had been shot while on a homicidal meat cleaver rampage.

Benjamin Optical offers customized blepharitis treatments, depending on the underlying cause of your inflamed eyelids. For example, if you have a bacterial, fungal, or parasitic infection, your optometrist prescribes medication to help your body fight off the infection. They can also recommend artificial tears to combat dry eye symptoms.
