### Big Sam My Autobiography

While 'Big Sam' will always be regarded by some as outmoded, it's refreshing to read a football book that is blunt and to the point. Big Sam: My Autobiography by Sam Allardyce (Paperback ...

This is Big Sam's story up until he leaves West Ham - up to that point his is a very interesting story, especially his early playing career, the behind the scenes items he learnt whilst in the US and his successes in the lower leagues. I love the stories about how he ruffled the feathers of Rafa Benitez and Arsene Wenger.
