Biological Science Volume 3, 5th Edition—Pearson

About this book. Supports and motivates you as you learn to think scientifically and use the skills of a biologist. Scott Freeman's Biological Science is beloved for its Socratic narrative style, its emphasis on experimental evidence, and its dedication to active learning. In the Fifth Edition, the author team has expanded to include new members—bringing a fresh focus on accuracy and currency, and multiplying the dedication to active learning by six.

Package Components: Biological Science, Volume 3, Fifth Edition

Biological Science Volume 3 / Edition 5 by Scott Freeman —

Volume 3 looked perfect since this only has certain parts of the whole book. I have volume 2 also and it contains ch. 25-36 and 52-57, or 22-39 and 55-60 in the 6th ed). I wish volume 2 and 3 had a sample table of contents so that I can see what parts are included.
