Alex Eviston has been monitoring 1989 for over five years. Her job as a U.S. Temporal Inspector is to report any aberrations in history. But she wakes up one morning to find time has shifted. The Germans manipulated the past so that World War II ended in their favor and America is under Nazi control. Now Alex must do more than monitor time, she has to correct history. But she's being hunted by Nazis where ever she goes. She'll have to make friends in odd places and find strength within herself if she's to win the war and make sure

Get a global perspective on bisexuality from a women's viewpoint! *Women and Bisexuality: A Global Perspective* reflects the growing contribution bisexuals, and especially bisexual women, make to queer culture on an international level. This unique book presents a collection of thoughtful essays, studies, and reviews that combine to help develop a language that reflects the reality of bisexuality from a feminine/feminist viewpoint. Authors map the inroads made by bisexual studies into conventional disciplines, including anthropology, sociology, health, literature, film, history, and biography, and analyze the situations of bisexual women in areas as diverse as France, North America, Germany, Australia, and Africa. The rich and varied contributions to *Women and Bisexuality: A Global Perspective* track the spread of bisexuality from the urban and metropolitan centers of gay culture to more peripheral areas as the movement becomes more and more hospitable to transnational and transcultural people. The book's main themes—bisexuality's ability to disrupt categories and the resulting feeling of alienation many bisexuals experience—are manifested in approaches that include critical theory, deconstruction, textual analysis, cognitive psychology, personal essay, review essay, reportage, and qualitative study. Topics addressed include: the impact of feminism and women's communities on the appearance of bisexual women multi-sexual relationships as border existence in Australia a South African perspective on bisexuality understanding bisexuality's invisibility Lillian Hellmann's bisexual fantasies and much more! *Women and Bisexuality: A Global Perspective* follows bisexuality to the crossroads of academics and activism, presenting a wide scope of refreshing and insightful thought that reflects more than an identity or practice. The diverse mix of ideas is an essential read for anyone interested in literature on sexuality.

Great Victorian classic offers full coverage of basic lathe techniques. Projects include billiard ball, egg cups, ash trays, vases, more. First paperback reprint. 800 illustrations.

The first edition of Percorsi quickly became one of the best-selling

elementary Italian texts. The new second edition features a new design, more focus on skills-development, updated cultural information and a full version of MyItalianLab. Percorsi is an introductory program that promotes the acquisition of Italian language and culture through the integration of the "5 Cs" principles of the National Standards for Foreign Language Education. Percorsi is designed to provide beginning learners with a variety of tools to develop their communicative competence in the four major language skills—listening, speaking, reading, and writing—as they acquire familiarity with Italian culture. All of the features in Percorsi have been carefully thought out to support the two key aspects of the language acquisition process: language comprehension and language production. From the start, carefully structured communicative activities based on authentic materials and texts encourage students to use Italian in everyday situations. Generous use of authentic content also offers students a chance to develop reading skills while gaining cultural awareness and understanding of Italian communities and traditions throughout the world. In addition, each chapter explicitly promotes cultural exploration through illustrated presentations that are followed by activities facilitating comprehension and highlighting cultural comparisons. Students are encouraged to analyze and compare extremely varied aspects of Italian culture while making connections to their own experiences. MyItalianLab will be available for Fall 2011 courses.

This primary text for the introductory course in international relations/world politics follows an innovative progression of history first, issues second, and theory third. By presenting information in this order, students acquire a basic overview of the discipline and are prepared to discuss theory from an informed perspective. Thematic unity is created by acknowledging the post Cold-War themes of co-operation and globalization/fragmentation.

When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night—while prowling his Atlantic City neighborhood as a large gray house cat, he's caught in a torrential downpour. What little luck he has washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss's lonely son, Tony, a victim of schoolyard bullying. As a human, he feels drawn to Andrew, a man he wanted to resent. Finding love was never part of Jim's plan for the future—not with his bizarre secret—yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with prejudice in the workplace, at Tony's school, and even within their own families.
