an Australian Federal Police Officer Peter Riggs. Riggs had been working undercover on an international heroin ring that seems to be coming in through the Port of Darwin. The officer had been found in his car dead from an overdose of heroin, the very drug that he had been investigating. Everything seems to be pointing to a heroin ring, but Harry thinks it's all a little too convenient. This is the 3rd in the Harry Chin Murder Mystery series.

In a cave in the hills, seven candles burned, and tonight, when the moon was at its full, it would be time to light another. Oh, the Blood Moon was so aptly named... Three ritual killings on the same night can't be coincidence. More an attempt to sabotage the peace between Sparta and her new allies from across the Black Sea. High Priestess Iliona has no wish to become embroiled in politics. Especially now. The son she gave up at birth has discovered her identity, and emotions she'd worked so hard to lock away have surfaced, raw and painful. But Lysander, commander of Sparta's hated Secret Police, gives her no choice. And because she hopes that uncovering conspiracy, murder, kidnapping and adultery will help dull her pain, she fails to notice a killer on the loose with a pathological hatred of women. Who's picked Iliona as his next victim.

It's out of the frying pan and into the fire for this private investigator. I've barely learned that vampires exist, and I've somehow killed one, and I'm dating another. Life is complicated. My recent case has some loose ends—and I'm one of them. A powerful paranormal family hired me to find their missing daughter, but the Taylors have some skeletons in their closet. If I don't want to become one, I need to work faster and smarter. My survival depends on it. When I thought things couldn't get worse, Adam vanishes without a trace and, according to Jacob, a witch may be to blame. Did I mention that witches give me the creeps? Time is running out for Adam and me. It's imperative that I find the missing girl to prevent a bloody shifter turf war, but finding Adam is all I can think of. It may have taken losing Adam twice to make me realize I need him in my life, but I won't let him go without a fight. ????? "Samantha's life has sure gotten a whole lot more complicated since she learned about the paranormal world around her. Sam's new case introduces her to werewolves, and she's surprised to find out

File Type PDF Blood Moon File Type

that some of her friends are wolves. But as the mystery and danger heats up on the case, a vengeful person from Adam's past comes back threatening the developing relationship between them. As Sam learns more about the paranormal world, she's got more questions than answers and some of those questions are about herself. It will take all her friends and new acquaintances and a bit of luck if she and Adam are able to survive this trial. The story will draw you in and leave you guessing as the pages are filled with mystery, suspense, romance, and action."—READER REVIEW Start the exciting continuation of the Vampire Files Trilogy tonight! Executives running the last outposts of humanity are going missing. Decades ago, certain cities lifted off from the surface of Earth, protected by fusion-powered shields. Their destination was the moon, to mine the needed resources to make the next phase of the journey. The culture in these city-colonies has separated into two - the "royals" and the "down-below". Now someone is carefully reducing the royal houses - one by one. Who that someone or someones are, or how they are doing this is unknown. But not unwatched. The question is whether the watchers can solve the mystery in time. And do something effective to stop the disappearances. Before these city-colonies, and their hopes for rescuing humanity - die. Christmas Eve is very different this year in Atlanta, Georgia. The serial killer dubbed as "The Horseman" has been slicing a bloody path through the beautiful capital of Georgia. However, there is more to the story. The "Horseman" may be responsible for over fifty murders where each victim has been beheaded—and the heads never found. This includes a past secretary of state, which prompts calls to be made at the highest levels of law enforcement, the formation of a special task force headed by the FBI and the recruitment of CIA Agent, Jedadiah Flynn who sometimes is "loaned out" to the FBI on

particularly bizarre cases. Everyone seems to have secrets and Flynn's involvement with the daughter of one of the victims makes things personal. Especially when the biggest secret of all is revealed on Christmas Eve. And just what is the organization known as "The 34"?

It begins in 1964 with the sudden and unexpected death of Sergai Korolev, the man who ran the Soviet Space Program. Young Yuri Ribko, an engineering student working for one of the Korolev's bureaus, is either fortunate or unfortunate to have an uncle who is a high ranking member of State security. Yuri's uncle recruits him to spy within the Bureau, to assist in identifying possible threats to the Space Program. In return, Yuri is set on a fast-track of promotion, from engineering assistant to cosmonaut. From the earliest work on Russia's lunar lander, through a devastating string of exploding launch vehicles and deadly landings, Red Moon gives us an insider's view of Russia's gallant but doomed Moon Shot. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lance Longfall has everything going for him: brains, money, good looks and a promising future as a scientist. One fateful day in 1983, he meets Miranda Evans who will forever change his life. Fate, however, usually has a plan; even when it is tragic. With the help of Stephen Bropalski, his best friend, Lance

Paranormal Nonsense - Falsely advertised as a paranormal investigator, Tempest Michaels has a serial killing vampire to track down and a poltergeist to catch and all because his client is just too gorgeous to turn down. He'll need to keep his mind on the job though as his investigation soon attracts unwanted attention from the police and a local gang of vampire worshippers. They won't be the biggest problem though as his friends, his mum, and his dogs are going to help! The Phantom of Barker Mill - A hundred-year-old mystery proves irresistible for England's only paranormal P.I. It looks like the perfect case, but someone, or perhaps everyone is lying to him, and as he closes in on the truth, he is led into a race against time that may cost him more than he is willing to pay. Oh, and his mum wants him to organise a baby shower. Amanda Harper Paranormal Detective - When hysterical customers claim their shopping has been stolen by a ghost, the shopping mall manager calls the only paranormal investigation agency in the book. Meet Amanda Harper, Paranormal P.I. But its Amanda's first day and nothing in life has prepared her for the bedlam that will follow. What is the truth behind the mysterious missing shopping bags?
