It has been proposed that since generally speaking "We need to book it" refers to the need to leave quickly; the phrase may be related to "booking out of the hotel" or to "book passage" on a ship. An alternate explanation is that the phrase may have originated in reference to cars ("That car really

Access Free Book It Came From The Internet Give

booked!") as if the car went so fast it was entered into a record book for breaking a speed record.

What is the origin of the phrase 'book it', as in 'move ...
