With easy-to-use examples and loads of screenshots, Faster is the perfect digital companion for you.

This reader brings together significant articles on the theory and practice of public administration. it outlines the historical processes and goes on to reflect on contemporary administrative perspectives and experiences. A new preface takes stock of important developments in the field since the publication of the original edition.

Arab-Jewish Literature: The Birth and Demise of the Arabic Short Story offers an account of the development of the art of the Arabic short story among the Arabized Jews during the twentieth century. An anthology of sixteen translated stories are included as an appendix to the book.

Explains the difference between hackers and crackers, explores the benefits that hackers provide by notifying system administrators of flaws in the system, and discusses how to better protect a system.

A precise, analytical and critical account of the fundamentals of political theory and the major concepts used in political analysis. This book offers an introduction to major political theories for the first learners of political science at the graduate level as well as those interested in building a strong groundwork of the subject. It cites Indian and global examples and discusses real-life applications of these theories to make the theories and concepts relatable and approachable. The book offers a compact overview of the concepts of state, society, civil society, justice, law, freedom, equality and others along with critical discussions on premier political ideologies of Marxism, Liberalism, Anarchism, Fascism, Gandhism and much more. Enriched by the author 's long-term experience in research and teaching on the subject, this textbook will prove to be an essential companion for students of political science, sociology and social work as well as Civil Services aspirants. Key Features: • Special focus on Indian political theory and the course of its development. • Encourages the readers to ponder and debate further. • Presents a practical perspective, by contextualizing the theories within real-life situations.

Indian Political Thought: Themes and Thinkers covers all major Indian political thinkers from the ancient, through medieval to the modern times. Thus, this book provides an overview of the evolution of the Indian political thought through different historical periods, giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking. It does not only talk about the lives and times of the thinkers, but also explores the important themes that formed the basis of their political ideologies. The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state, civil rights, ideal polity, governance, nationalism, democracy, social issues like gender and caste, swaraj, satyagraha, liberalism, constitutionalism, Marxism, socialism and Gandhism. With a comprehensive coverage of both the thinkers and the themes of the Indian political thought, this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities. It is valuable also for UGC-NET and civil service examinations.

Every 3rd issue is a quarterly cumulation.
