Remodelista.com is the go-to, undisputed authority for home design enthusiasts, remodelers, architects, and designers. Remodelista decodes the secrets to achieving this aesthetic, with in-depth tours and lessons from 12 enviable homes; a recipe-like breakdown of the hardest-working kitchens and baths; dozens of do-it-yourself projects; The Remodelista 100, a guide to the best everyday household objects; and an in-depth look at the ins and outs of the remodeling process. In a world of design confusion, Remodelista takes the guesswork out of the process.
