Branded - Ignite Trilogy, #2)by Tara Sivec **Phina** and **DJ** story - this to me was better than the first book of the series. The story was good but could have been better. There was so much more that could have come from this story. I felt at times the author put too much emphasis on the sex scenes. (Sometimes it becomes overkill).

"**Branded**, the second installment of the Ignite Trilogy gives you the very best of romance... Emotions run high in this one so be ready for anything!" -Scandalicious Book Blog "Tara Sivec never fails to brand my heart with her erotically suspense filled stories, but this one, following in tradition with Burned, ups the game tenfold. Just when you think your heart can't possibly hurt any more, she takes it to a whole other level."

I wear my scars like a scarlet letter, reminding myself that I'm not worth the trouble. I've spent seventeen years pushing men away, never allowing myself to believe in the fairytale..then, he walked back in. Just like before, we explode when we're together. I hate him for what he did to me, but I can't stay away. Eighteen days filled with passion and promises. Nineteen letters filled with threats and foreboding. It only takes twenty minutes for the numbers to all add up. One thousand, two hundred seconds until everything changes and there's no going back. This is my story, and it's going to leave a scar.

Ignite Trilogy, Volume 2: DJ & Phina I wear my scars like a scarlet letter, reminding myself that I'm not worth the trouble. Sixteen-year-old Cara Lange has always been a loner, even more so since she moved away from her best and only friend, Zoe, a few years ago. Cara mostly spends her time avoiding the popular girls who call her 'choker' after a humiliating incident in the cafeteria, and watching Ethan Gray from a distance, wishing he would finally notice her. Then one day Cara comes home and finds Zoe waiting for her. Zoe's on the run from problems at home, and Cara agrees to help her hide. With Zoe back, Cara's life changes overnight. Zoe gives her a new look and new confidence, and before she can blink, Cara is flirting with Ethan and getting invited to parties. And best of all, she has her best friend to confide in again. But just as quickly as Cara's life came together, it starts to unravel. A girl goes missing in her town, and everyone is a suspect - including Ethan. Worse still, Zoe starts behaving very strangely, and Cara begins to wonder what exactly her friend does all day when she's at school. You're supposed to be able to trust your best friend no matter what, but what if she turns into a total stranger?

Fisher, I guess this is it, huh? After fourteen years together, starting a life of our own on this island, five deployments and countless letters I've written you through it all, I finally go out to the mailbox and see something I've always dreamed of: an envelope with your handwriting on it. For one moment, I actually thought you'd changed your mind, that all the awful things you said to me were just your way of coping after everything you'd been through. I was still here, Fisher. I was still here, holding my breath, waiting for you to come back even though you told me you never would. You always said you'd find your way back to me. Out of all the lies you've told me, this one hurts the most. Enclosed you will find the signed divorce papers, as requested. I hope you find what you're looking for. I'm sorry it wasn't me. Lucy To get the ending they want, Lucy and Fisher will have to go back to the beginning. Through the good and the bad, they'll be reminded of why they always made their way back to each other, and why this time, one way or another, it will be the last time.

OUTIN, book two of the best selling Inner Movement trilogy, takes off from the last thrilling page of OUTVIEW. This story of wonder, in which time and dimensions collide in an explosion of psychic phenomena, takes Nate to a kaleidoscopic land. Relentlessly pursued, he faces impossible choices that transcend life and death. Aided by more mystics, he struggles to find understanding on a frantic quest through extraordinary realms. If he can keep his friends alive, avoid Eightyear, and unravel crucial mysteries from the past. . . . the Movement just might have a chance to change everything. A fast paced psychic conspiracy filled with more than paranormal mystery and supernatural phenomena. In OUTIN, Nate is pushed to question life's great questions and philosophies in a search for the meaning of time itself. Readers who enjoy contemporary, urban fantasy, metaphysical genres and books such as David Mitchell's Cloud Atlas and The Bone Clocks, Paulo Coelho's The Alchemist, Neil Gaiman's The Ocean at the End of the Lane, James Redfield's The Celestine Prophecy, Dan Millman's Way of the Peaceful Warrior, Night Circus and Snow Child are sure to love The Inner Movement trilogy - A metaphysical fantasy thriller. At thirty-three, Warner Truman is one of the richest men on the planet, a spa mogul who buys and sells resorts at will. He holds powerful executives' careers in his well-groomed hands. Nothing is beyond Warner's reach...until he meets her. Stunning, tantalizing and perverse, Taddy Brill captivates Warner's carnal desire like no woman he's ever met. A self-made millionaire, Taddy is tougher than steel, more brilliant than diamonds and, at twenty-seven, she's never depended on a man for anything...until she meets him. The more Taddy plays with Warner's affections, driving him to erotic heights, the more she is confronted by a dark past. Before she can love him, Taddy must meet her worst fears head-on or risk losing it all, including herself.

From USA Today Bestselling Author, Tara West **Winner of the eFestival of Words Best Action/Adventure**? Brave heroes and powerful heroines. Vengeful goddesses and blood-thirsty dragons. Wandering spirits and spiteful sages. This completed epic saga with a diverse cast of characters will keep you turning the pages late into the night. For fans of Eragon, Shadow and Bone, and Percy Jackson! Hunting was supposed to be a gift, where every arrow Markus loosed struck true-saving his village from starvation and making him a hero. It was also the only way Markus knew how to shield his sickly brother from his father's rage. Until the fateful night when it all went wrong. Now he's cursed and on the run from a vengeful ice dragon. In his escape, he falls into Ice Kingdom, where a kind man and his brave daughter help him wrestle with his father's abusive past. But when he comes face to face with the goddess who cursed him, he has to decide. If he surrenders, the people of Ice Kingdom and the girl he loves will perish. If he fights, his beloved brother will die.

A Brief History of Comic Book Movies traces the meteoric rise of the hybrid art form of the comic book film. These films trace their origins back to the early 1940s, when the first Batman and Superman serials were made. The serials, and later television shows in the 1950s and 60s, were for the most part designed for children. But today, with the continuing rise of Comic-Con, they seem to be more a part of the mainstream than ever, appealing to adults as well as younger fans. This book examines comic book movies from the past and present, exploring how these films shaped American culture from the post-World War II era to the present day, and how they adapted to the changing tastes and mores of succeeding generations.

I was known as the traitor's daughter. When I was five years old, my father was tortured, branded with the letter 'Z', then beaten and left for dead. The grueling punishment for his crime was a reminder to all others who dared threaten the Russian's reign. I was the young girl left behind. A living piece of the traitorous puzzle the Russian leader tried so diligently to ignore. Until I grew up. No longer could he deny how much my existence had always been intertwined with his. And in order to survive the life I was thrown into, I was forced to learn my place inside of it.Vlad Zalesky was a tyrant to the lost. I hated him. He was a terror of mass destruction. I was afraid of him. He was a tormentor of the weak. But not far beneath the venomous man's outward indifference was something else. Vlad Zalesky carried secrets of unrestrained burden. I wanted to know those secrets. And because of my decisions, someone in our family had to pay.

When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampire High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned.
