Under Tennyson's protective wing, she begins to navigate the uncharted territory of responsible adulthood and takes the first steps toward a legitimate, lasting fame based on her talent, not her reputation. BOOK DESCRIPTION: Her job is to make

his life miserable. His job is to make her submit. Whose heart will surrender first? Across the country, rebellious BDSM submissives are being systematically kidnapped, one from each club. When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She finds that being a bratty sub comes naturally, especially when she gets to twit the appallingly conservative Master of the trainees. But she soon discovers he's not as stuffy as she'd thought. Or as mean. She'd expected punishment, even humiliation, but

Online Library Breaking Free Masters Of The Shadowlands 3 Cherise Sinclair

she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. When the club owner insists he admit an incredibly bratty trainee, he's furious. But as he comes to know Gabrielle and sees the alluring sweetness beneath the sass, he starts to fall for her. Unfortunately, Marcus isn't the only one who believes the feisty redhead is a prize worth capturing. And in the world of the slaver, such treasure is worth a hefty fee. "Our shadow," teaches Robert Augustus Masters, "is our internal storehouse for the parts of us that we've disowned or rejected, or are otherwise keeping in the dark." Everyone has a shadow, but all too many of us are unaware of it. It holds the feelings and

Online Library Breaking Free Masters Of The Shadowlands 3 Cherise Sinclair

beliefs that we are most ashamed of or cannot accept about ourselves. For some, it may contain unacknowledged anger or grief. For others, pain or fear. Our shadow contains our unfaced conditioning. And the more unaware we are of our shadow, the more it influences and controls us. Based upon Masters's four decades as a psychospiritual therapist and guide, *Bringing Your Shadow Out of the Dark* invites readers to understand and skillfully work with this rich yet neglected dimension of ourselves. With depth and clarity, he illuminates the process of meeting our shadow in beneficial ways, and how we can embody a

more complete and life-giving experience of who we are. In this book you'll discover: • The nature of our shadow and how to optimally work with it—exploring our conditioning and core shadow elements, including in the domains of shame, fear, aggression, resistance, addiction, death, and spirituality • How to work with the child within, self-sabotage, narcissism, sexuality, dreams, and other matters deeply influenced by our shadow • Why turning toward our pain is an essential part of shadow work—making wise use of our pain • Collective shadow domains we share with family, social groups,

political party, or nation—bringing them and their associated traumas into the light When we uncover and work in-depth with our shadow, we free ourselves from its control and gain the opportunity to put its contents to work for us instead of allowing them to work against us. Bringing Your Shadow Out of the Dark shows us how to navigate the full terrain of our emotions, drives, needs, and depths of who we are. Foreword by Lissa Rankin, MD, New York Times bestselling author of Mind Over Medicine, The Fear Cure, and The Anatomy of a Calling.
